## **Report of Principal:**

Stem Night was a huge success: there were visiting engineers from FVSU; there was a parent vs. student challenge and other activities; Beulahland Baptist Church provided dinner.

Classes will participate in EOGT Talks on Thursday and Friday. Students need to be aware of the changes from CRCT to EOGT (GMAS).

Semester grades (new for this year) are coming up.

SLO's are next week, and the grading requirement is new for this year: the post-SLO counts as a test grade in connections classes as opposed to calculating with growth.

Ms. Smith reported that she is hearing from other parents concerns that although the teachers at HMS are high-performing, they don't always have the opportunity to do what's best for students, due to requirements beyond their control.

Ms. Love reports that she has given homeroom teachers a survey for students to complete regarding student access to technology at home.
