

Good afternoon parents and staff members of the Randolph County School System,

This is Stephen Gainey. I am calling to make you aware that the State Board of Education took action today with regard to grading for students in kindergarten through grade 11 in relation to the school closure. Furthermore, additional guidance regarding this issue will be sent to our school system from the North Carolina Department of Public Instruction in the next few days. Upon our completion of the review of all of this information, a formal communication will be sent to parents and staff members in our school system with regard to next steps for grading for students in kindergarten through grade 11. However, this communication also will include any information obtained from the Governor's announcement tomorrow, 4/24/20, regarding the status of the 2019-2020 school year.

This message also will be posted on the homepage of the school system's website for your reference.

I want to thank you for your patience as we move through this difficult time!!
