## & Cloze Passages

Dear Educator,

Thank you for downloading this product. I created this Decodable Story Pack so my students would have lots of meaningful practice Trick words from Foundations Units 2-9 are included.

I have included cloze passages because I find that they really help my students engage with the text more effectively. I like to print these and laminate or use page protectors and wipe-off markers to save on paper and ink.

If you have questions please feel free to contact me through the Q and A tab

at my [store](#) or at my [blog](#). Please if you find a problem with my product or have a suggestion do contact me through the TPT Q and A tab. I will respond and fix anything quickly. Please don't give bad feedback without giving me a chance to rectify things.

Thanks

Happy SMART and Special Teaching

Jen went to see her friend Tess. It was a hot out so Tess said, "We can go out and have some fun, but I think we should have a blended drink. Jen said, "I was just thinking about a drink." "Do not be cross with Russ. He was hot too," said Jen. "You can have some of my blended drink."

# The Pal's Prank

Deb and Greg are pals with Seth. They are thinking about doing a prank on Seth. It is hot, so they tell Seth to come to bat the ball with them. When Seth got there, they hid. Greg calls and calls them to come out. He squints in the sun to see them. Deb and Greg crept up to him and splashed him with a cup. Seth grunted and blinked but he is not mad. He grabs a cup to splash his pals back. He said, "What a fun prank to do when it is hot. How about we call Fran and do the prank to her too. She will think it is fun also!"

# The Drinks

Jen went to see her friend Tess. It was a hot out so Tess said, "We can go out and have some fun, but I think we should have a blended drink. Jen said, "I was just thinking about a drink." So Jen and Tess crafted some grand drinks. Then they went out to swing. They put the drinks on the bench by Jen's dog Russ. The bench was a bit slanted. "We can swing, and then we will drink," said Tess. When they were swinging, Russ pushed one of the drinks off the slanted bench. "Oh no," said Tess. "I should not have trusted Russ with the drinks."

"Do not be cross with Russ. He was hot too." said Jen. "You can have some of my blended drink."
