

Instructions for using the online World Geography Textbook:

1. Login to <https://clever.com/desoto>.
NOTE FOR IPHONE USERS: If you are using an iPhone, you will have to use another browser than Safari, so the pop-ups from the website will work. Safari blocks the pop-ups, and they are necessary for content to pull up properly. This only applies to iPhone users.
2. Your username and password for clever is your lunch number.
3. Click on the red app that says McGraw Hill, NOT McGraw Hill Education, even though it will say it is the Grade 9 textbook, it is the Grade 8 textbook.
4. **To get to the Atlas:**
5. There are two drop down boxes under “Networks”. The first drop down box should say Unit 1: The World. You will need to select “Regional Atlas: The World” in the second box. Then hit “GO”.
6. You will click on the world map on the right side of the screen and select “Political map” and then “open this resource” to be able to view the maps.
7. **To open other content:**
8. There are two drop down boxes under “Networks”. The first drop down box should be the chapter you need, and the second box should be the section you need. Then hit “GO”.
