REINFORCE ARTICULATION GOALS AT HOME WITH FUN GAMES!

1. **Charades** - Act out your target word
2. **"I Spy"** - Find items around the room that contain your target word
3. **Color in a picture of target words**
4. **Draw a picture of target words**
5. **Turn taking game** - Puzzle, Legos, trains, board game, toss balloon/ball. One word= one game piece/turn
6. **Stack cups** - Build a tower of cups with target words written on the bottom. See how many you can say and stack before the tower falls down
7. **Mystery box** - Cut a hole in an empty box (or use a tissue box) and make a "Mystery Box" for kids to choose target words from
8. **Articulation bingo with words containing your target sound**
9. **Make your own board game with target word pictures**
10. **Use Play Dough to make your target word**
11. **Drive a car/ train/ airplane to target words scattered throughout the room** - Images of words can act as different destinations, train stations, or airports
12. **Scavenger hunt of target word pictures**
13. **Fill in the blank during song singing** - Example: The itsy bitsy ____
14. **Tape target words to the wall, turn the lights off, and find them using a flashlight**
15. **Take turns being the teacher** - Kids often enjoy being the ones in charge and telling the parent what to do and say
16. **Empower the child by allowing them to choose the best day/time to practice**
17. **Choose words the child is motivated to say. Branch out from word lists and find favorite characters, athletes, toys, or common words from their vocabulary with the target sound.**
18. **"Simon Says"** - This is great for children practicing /s/ in the initial position of words
19. **Make a beaded bracelet/necklace** - Each bead = one word
