WELCOME

August 2021

Students, Parents, and Guardians:

As District Superintendent I would like to welcome all of our students back from summer vacation. The entire staff has been working hard to prepare for the upcoming school year. Your teachers are ready to challenge you academically and provide assistance when you need help.

This handbook will insure your success at Chadwick-Milledgeville Elementary School and provide the current practices, procedures, and policies of our school. As such, it does not represent a contract between the school and the student, nor does it attempt to cover every situation that may develop during the course of the school year. It is provided to acquaint you and your family with relevant information necessary for the orderly functioning of the school and is intended to describe the school, its current practices, procedures, rules, and regulations. It has been structured to help promote student progress.

Parents/guardians please reinforce with your child the importance of respectful behavior, proper conduct at school and on the bus. Parents should keep the handbook in a handy place for easy reference during the school year.

The entire Chadwick-Milledgeville Elementary School staff is here to help you succeed. See your teachers if you have a question or a problem. Parents or guardians are encouraged to call the school if they have concerns. Working together we are going to make this a great year!

Sincerely,

Mr. Schurman
District Superintendent

INTRODUCTION

The faculty and staff of the Chadwick-Milledgeville Elementary School hope you have enjoyed your summer and are anticipating, as we are, the challenges and rewards of a new school year. We will be available throughout the school year to provide quality instruction, which together with the interest and assistance of the parents will help our students become the best they can be.

This handbook has been prepared to assist and guide students and parents throughout the school year. Additional school information and news will be presented through an insert in the Prairie Advocate newspaper on the last Wednesday of each month. Much of our school news is also available on the District web site: www.dist399.net. We hope you will contact us if you have any questions, concerns, or suggestions. The office phone number is 225-7141.

We wish to remind parents that the school buildings are not open for students to enter before 8:10 a.m., at which time school employees will enable students to enter through the various doors. Students arriving after 8:10 a.m. need to enter through the following unlocked doors:

Milledgeville School – North rear main entrance from the parking lot

After 8:30 a.m. all exterior doors at each building are locked from the outside on a permanent basis during the school day to enhance safety and security. Students and visitors must go to the school through the north rear main entrance from the parking lot to be admitted.

All visitors (those who are not students or school employees) need to report to the school office to state their business and receive a visitor badge. Upon the completion of their business, the visitor will return the badge to the office.

We hope you find this school year to be fun and rewarding.

Sincerely,

Brian Maloy
Principal

SAFETY FOR STUDENTS RIDING BUSES HOME

Students who ride buses home from school may be dropped off at home/babysitter as much as 15-20 minutes earlier than the normal time when one or more students who live in outlying areas are not riding home. We are asking that the following measures be taken to help ensure the safety of the students:

1. Please plan on being home (or have your babysitter be at home) when school is dismissed rather than at the time the bus normally drops off your student(s).
2. Establish and review emergency procedures with your student(s) so they know what to do if no one is home, the door is locked, and so on.
3. If you live in an especially isolated area and feel the need to discuss special safety precautions in which the bus driver can be of assistance, please phone the building principal.

ATTENDANCE POLICY

The process of education requires participation, learning experiences, and study in order to reach the goal of maximum educational benefits for each individual student. The school cannot reach or teach students who are not present. If the student is absent, the benefit of regular classroom instruction is lost and cannot be entirely regained.

Students must be in attendance a full day on the day of the activity to be eligible to attend extra-curricular events that evening, unless prior consent is given by the principal.

PROCEDURES

1. Parents are requested to call the office between 7:45 and 8:30 a.m. to report the reason that their son or daughter is unable to attend school that day. The phone number is 225-7141 or 225-7143. The school will contact the parent at home or at work if the parent has not notified the school of the student's absence that day.
2. The student must bring a written statement signed by the parent stating the date and reason for the absence, unless parent contact has been made by phone.

EXCUSED ABSENCES

1. Student illness
2. Serious illness in immediate family
3. Death in family
4. Medical, dental, or legal appointments which cannot be arranged outside of school time.
5. Emergency situations or other reasonable parental requests, as determined by the principal.
6. Observance of religious holiday.

Students absent 3 or more days may be required to submit a doctor's release form to the school.

PRE-ARRANGED ABSENCES (EXCUSED)

If it is known in advance that the student will be absent for any length of time and for any reason, the parent is to contact the principal prior to the absence.

Reasonable parental requests will be approved by the Principal. Lengthy pre-arranged absences are discouraged, especially during the first and last months of school.

UNEXCUSED ABSENCES

The following are examples of unexcused absences.

1. Suspension
2. Truancy
3. Leaving school without notifying the office
4. Shopping
5. Working
6. Hair and nail appointments
7. Oversleeping
8. Babysitting
9. Any other absence not covered in the excused absences section.

TRUANCY

Chadwick-Milledgeville CUSD #399 considers students truant after two (2) unexcused absences or any absences that exceed 10% of the school year. If a student reaches either the R.O.E will be notified and Truancy Protocol will be initiated.

Carroll County Truancy Protocol

Introduction: In the State of Illinois, minors between the ages of six (6) years and seventeen (17) years of age are subject to compulsory school attendance. Therefore, all children of these ages in the State of Illinois shall attend a public school within the district wherein the child resides the entire time that school is in regular session. (105 ILCS 5/26-1). There are three primary entities which are responsible for enforcing the compulsory education law and for addressing the issue of truancy in this State. Those three entities are 1) the individual school districts, 2) the Regional Office of Education, and 3) the Juvenile Court. The purpose of this protocol is to ensure that each of those entities understands its responsibilities, as well as those of the other entities, in order to achieve the best possible outcomes in addressing truancy in Carroll County.

PART A: SCHOOL DISTRICT RESPONSIBILITIES

- A. School districts are mandated by statute to adopt policies consistent with rules developed by the State Board of Education to address the issue of truancy within their district (105 ILCS 5/26-13).
- B. School officers and teachers must assist the truancy officer or truancy specialist in gathering information regarding the student and his/her attendance. (105 ILCS 5/26-9).
- C. Definitions of: a) “truant” - a child subject to compulsory school attendance who is absent without valid cause; b) “valid cause” for absence-illness, observance of religious holiday, death of immediate family member, family emergency, and other such situations beyond the control of the student or family as determined by the Board of Education or such other circumstances
- D. related to the safety or health of the child; c) “chronic or habitual truant” - a child subject to compulsory school attendance who is absent without valid cause from such attendance for 10% or more of the previous 180 regular attendance days; d) “truant minor” - a chronic truant to whom supportive services, including prevention, diagnostic, intervention and remedial services, alternative programs and other school and community resources have been offered and refused, (105 ILCS 5/26-2a).
- E. The school district is responsible for making a good faith effort to notify the parent/custodian of a student who is absent without valid cause. (105 ILCS 5/26-3b).
- F. A report of non-attendance shall also go to the Regional Superintendent of Schools who shall notify the truant officer or truancy specialist of the situation.
- G. No punitive action, including out of school suspensions, expulsions, or court action, shall be taken against chronic truants unless available supportive services such as tutoring, counseling, testing for special education, a referral to the TAP program, or other remedial resources have been provided to the student.

PART B: REGIONAL OFFICE OF EDUCATION/TRUANCY OFFICER RESPONSIBILITIES

After notice given to the truancy officer or truancy specialist by the Regional Superintendent, the truancy officer or truancy specialist shall begin an investigation into all truancy or non-attendance cases. (105 ILCS 5/26-5)

- A. At two (2) unexcused absences, the truancy officer or truancy specialist shall begin the intervention process with the student and family.
- B. If the intervention is unsuccessful, at three (3) unexcused absences, the student and family shall be given the Notice of non-compliance. Said notice shall state the following:
 - 1. The date that attendance at school must commence; and
 - 2. That said attendance must be continuous in the school district during the remainder of the school year. The teacher or principal of said child shall be notified that the statutory notice has been given and shall advise the truancy officer or truancy specialist of non-compliance. (105 ILCS 5/26-7).

- C. After the notice outlined in paragraph 3 above has been given, the Regional Superintendent of Schools or his/her designee shall determine compliance with said notice. If three (3) compliance notices have been given and the parent/custodian has knowingly and willfully allowed the truant behavior to continue, the Regional Superintendent of Schools or his/her designee shall conduct a truancy hearing. (105 ILCS 5/26-8). However, if one such Notice has been given to the parent of a child who is 11 years old or younger and the child has one more unexcused absence after the Notice has been served upon the parent, the ROE shall notify the State's Attorney's Office and provide documentation of having served the Notice upon the parent and of the child's unexcused absences. The State will consider filing a complaint against the parent of the child (or person having control of the child) for Permitting a Child to be Truant, in violation of 105 ILCS 5/26-10, which is a Class C misdemeanor. Initial sanctions should be geared toward gaining the parent's compliance, which could include placing the parent on conditional discharge and requiring the parent to report in to the attendance office with the child at the beginning of each school day.
- D. If, as a result of said hearing, the Regional Superintendent of Schools or his/her designee determines that the minor is truant, he or she shall, if the student is age appropriate, require the student to perform 20 to 40 hours of community service hours over a ninety (90) day period. If the truant behavior persists after the imposition of community service, the Regional Superintendent of Schools or his/her designee shall a) make compliant against the persons having custody or control to the State's Attorney where such person resides or b) conduct truancy mediation and encourage the student to enroll in a graduation incentives program (105 ILCS 5/26-16) and or other district support services, such as credit recovery, and counseling services through a comprehensive community based youth service agency. In the event that the truant behavior has continued after the notice outlined in paragraph 3 above and the child is beyond the control of the parents, guardians, or custodians, a truancy petition shall be filed (105 ILCS 5/26-8.)
- E. In the case of a minor who is on probation, the Probation Department shall be immediately notified of all unexcused absences and the Probation Department, in conjunction with the State's Attorney's Office, shall decide on a case-by-case basis whether a petition alleging violation of probation shall be filed with the Court.

PART C: JUVENILE COURT RESPONSIBILITIES

- A. After the school district and Regional Superintendent have exhausted all statutory requirements and possible remedies, a petition shall be filed in Juvenile Court by the State's Attorney. If the minor child who is subject of the petition is under the age of 13 years, a petition alleging educational neglect shall be filed. If the minor child is 13 years of age and older, a truancy petition shall be filed. In either case, said petition shall provide the following information:
1. the names and addresses of parents, guardians or custodians of the student;
 2. the dates of the truant behavior;
 3. the dates and nature of contacts or conferences with the student and the parents, guardians of custodians of the student;
 4. the nature of the proffered supportive services;

5. the alternative programs and other school resources that the district provided to the student in an effort to correct the truant behavior (105 ILCS 26-8a).

B. Adjudicatory hearing must be held within ten (10) days and a finding must be acted upon within thirty (30) days. (105 ILCS 5/26-8b).

C. Possible dispositions upon a finding of either educational neglect or truant minor in need of supervision include but are not limited to the following;

1. the minor may be committed to the Regional Superintendent for a multidisciplinary case staffing, individualized educational plan or service plan, or referred to a comprehensive community-based youth services;

2. the minor may be required to comply with an individualized educational plan or service plan as specifically provided by the appropriate Regional superintendent;

3. the minor may be ordered to obtain counseling or other supportive services;

4. if the Court makes an express written finding that a truancy prevention program previously has been offered to the minor, he/she may be fined in an amount in excess of \$5.00 but not more than \$100.00 per day for each day of an unexcused school absence, required to perform some reasonable public service work such as picking up litter or maintenance of a public facility, and/or subject to having his or her driver's license or driving privileges suspended up to age 18. (705 ILCS 405/3-33b).

D. In the event that the parent, guardian or custodian of the minor has been non-compliant, and he/she has been given notice of the State's intent to pursue sanctions, and the Court finds that the parent, guardian custodian has knowingly and willfully permitted the child to persist in his/her truancy within the school year, he/she shall be guilty of a Class C misdemeanor and shall be subject to not more than thirty (30) days imprisonment and/or fine of up to \$500.00. (105 ILCS 5/27-10).

E. Any person who is found to have induced or attempted to induce a child to be absent from school unlawfully, or to knowingly employ or harbor, while school is in session, any child unlawfully absent from school for three (3) consecutive days is guilty of a Class C misdemeanor. (105 ILCS 5/26-11)

P.E. EXCUSES

1. If a student is to be excused from P.E., the student must bring a note signed by the parent, stating the reason and date.
2. If a student must be excused from P.E. for more than 1 day at a time, a note, signed by the doctor, may be required.

TARDINESS

If you know in advance that the student will be tardy, please call us.

Students must report to the office if they are tardy and inform the secretary of their late arrival.

SIGN-OUT PROCEDURE

A student is not to leave the building during the school day unless he/she has a note from home, phone call from home or receives permission from the office to leave. The parent must pick up the student at the classroom or office door.

STUDENT CONDUCT

One of the most important lessons education should teach is discipline. While it does not appear as a subject, it underlies the whole educational structure. It is training that develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper consideration for other people.

SCHOOL-WIDE BEHAVIOR GUIDELINES

1. Children will be quiet when in areas such as halls, restrooms, and library.
2. Children will walk (not run) when traveling in classrooms and throughout the school.
3. Children will turn off and put away any electronic game or device once they enter the building. Students will not be allowed to use electronic games or devices during the school day.
4. No one will chew gum or eat candy (unless special arrangements are made by a teacher).
5. Children will act in a respectful manner toward each other and all staff members.
6. Children will use all equipment and materials with proper care to protect such from unnecessary damage.
7. Children will leave the playground immediately after dismissal.
8. Students will not disrupt the educational process within the classroom.

CONSEQUENCES FOR VIOLATIONS

Disciplinary action appropriate to age and grade level will be taken by school authorities and parents will be notified whenever it is considered necessary.

Violations of the district discipline policy may result in one of the following consequences:

1. Disciplinary Conference
2. Withholding of Privileges
3. Seizure of Contraband
4. Notifying Parents/Guardians
5. Disciplinary Consequences Including Suspension/Expulsion from School
6. Detention - Detentions that are issued for "Minor" offenses will be served in the detention hall.
7. Office Referral - Teachers will refer students to the office and/or remove students from the classroom in cases of significant disruptions to the educational process.
8. Suspension (Out-of-School) - Suspension is the temporary exclusion of a student from school, from a class or classes, and/or other school functions, for a period of time not to exceed ten consecutive days. Homework will be assigned during the time of the suspension. Upon his/her return to school, the student is responsible for all on-going schoolwork, including taking all quizzes and tests, and will be given credit for said work. Any work obtained during the absence is due upon the students' return to school. Parents of a child who has been suspended must return to school with the student for a conference with the building principal prior to the return of the student to school.
9. Bus Suspension - Bus suspension is the temporary exclusion of a student from bus riding privileges.
10. Notifying Juvenile Authorities - Conduct will be reported to law enforcement authorities if it involves illegal drugs (controlled substances), "look-alikes," alcohol, or weapons and may be reported for other conduct which also may constitute a criminal act.
11. Expulsion - Expulsion is the exclusion of a student from school for a definite period of time not to exceed two calendar years, as determined on a case by case basis. A student who is determined to have brought

a “weapon” to school, any school sponsored event or activity, or any activity or event which bears a reasonable relationship to school shall be expelled for a period of not less than one year, except that the expulsion period may be modified by the superintendent, and the superintendent’s determination may be modified by the board on a case by case basis. A student may only be expelled by the Board of Education.

RE-ADMISSION AFTER SUSPENSION

The purpose of the re-admission policy is to help students understand the poor choice they made, factors that led to it, and how they can handle the situation differently in the future. Upon the completion of the following activities, the student will reintegrate with their classmates.

Procedure:

1. On the date the student returns to school from a suspension they will meet with the building principal or their designee. All efforts will be made for this to occur prior to school beginning on the day the suspension ends.
2. The meeting with the building principal or designee will consist of a discussion around three areas:
 - a. The completion and explanation of expectations of a discipline contract signed by the student and principal or their designee.
 - b. A student completed reflection sheet.
 - c. Discussion of grades and facilitate a schedule for completion of assessments missed due to suspension.
3. Student will meet with the school counselor to discuss reintegration to class and any applicable coping skills, resources, or supports needed to make the reintegration successful.

STUDENT DUE PROCESS

Prior to a suspension, a student has the right to due process.

Due process is:

1. Verbal or written notice to the student of the infraction.
2. Verbal or written notice of possible consequences.
3. The student's opportunity to respond.

Disciplinary Appeal:

If parents elect to have a review hearing, following the suspension of their child, the Superintendent will inform the hearing officer. The hearing officer will contact the parent(s) to establish a time convenient for parents, administrators, and others directly concerned. The hearing officer will preside over the hearing which shall be held in a closed session. Either party may record the proceedings at his own expense. The school administration will proceed first, explaining the evidence and reasons for the suspension. The student may then respond. Either party has the right to call a reasonable number of witnesses who are subject to inquiry by both parties. The hearing officer will prepare a report which shall be submitted to the Board for review.

In the event the Board does not uphold the suspension: The suspension shall be removed from the student's record; the student's absence shall be "excused" and all educational opportunities missed by the student shall, if possible, be afforded him/her, including the makeup of any tests.

SEXUAL HARASSMENT

The School Board shall not tolerate sexual harassment of students and/or employees of the District.

Sexual harassment as defined in the Illinois Human Rights Act means any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when “such conduct has the purpose or effect of substantially interfering with an individual’s school performance or creating an intimidating, hostile or offensive school environment.”

When there is evidence of violation of this policy or violation of provisions of Title VII and/or Title IX as they apply to sex discrimination, the administration shall take appropriate action including warning and/or disciplinary action as warranted.

BULLYING

School Board policy prohibits a student or group of students from using aggressive behavior while at school or at school events that does physical or psychological harm to someone else and/or urging other students to engage in such conduct. Prohibited aggressive behavior includes, but is not limited to, the use of violence, force, noise, coercion, threats, intimidation, fear, or other comparable conduct.

Cyberbullying, which is sometimes referred to as online social cruelty or electronic bullying is defined as threats or other offensive behavior sent online to a victim or sent or posted online about the victim for others to see. In general, cyberbullying is bullying or harassing that happens online.

Efforts, including the use of early intervention and progressive discipline, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent(s)/guardian(s) of a student who engages in aggressive behavior are notified of the incident. The failure to provide such notification does not limit the Board’s authority to impose discipline, including suspension or expulsion, for such behavior.

GRADES AND PROGRESS REPORTS

Our school operates on a 9-week system. Grades are given at the end of each nine weeks. Report cards will be sent home on the dates listed on the calendar which appears at the end of this Handbook. The marking system is:

<u>Grades 1-6</u>	<u>Art, Physical Education, Music</u>

Conferences will be held again in late March if the teacher or parent deems it necessary. Please feel free to schedule other conferences as they are needed.

PROMOTION AND RETENTION

Since the lessons learned in school are sequential it is necessary to be successful at one grade level to be successful at the next. If a child is not doing satisfactory work the following steps will be taken.

1. At the end of the first semester students who show potential need for retention will be identified to the principal by the teachers.
2. Parents will be contacted for a conference with the teacher and principal. At this meeting the following will be discussed.
3. Present social and emotional maturity of the child
4. Present academic standing of the child
5. Goals for growth for the child for the second semester
6. During the fourth quarter parents will again be contacted for conferencing as in step 2.
7. Parents are encouraged to contact the classroom teacher or the principal at any time with any concerns or needs.
8. The decision for retention or promotion shall be made by the teacher and principal before the end of the school term.
9. Parents will be informed of the decision.

RESPONSE TO INTERVENTION (RtI)

Response to Intervention (RTI) is the practice of providing high-quality instruction and intervention(s) matched to student need, monitoring progress frequently to make decisions about change in instruction and goals, and applying the student’s response data to important educational decisions. The primary focus of RTI is to maximize student achievement and to reduce behavior problems, thus preventing long-term academic failure. Chadwick-Milledgeville School District is committed to the use of this model in an effort to address both academic and behavioral concerns. Successful implementation may require that the schedules of students involved be changed in order to accommodate necessary interventions.

SPECIAL EDUCATION

Chadwick - Milledgeville Community Unit School District #399 provides special education evaluation, identification, and placement services to students suspected or identified as handicapped. These services are at no cost to parents and are consistent with the provision to provide a free, appropriate public education to handicapped students. If you suspect your child has a handicap, or would like more information regarding the provision of these services, you may contact the school or the Bi-County Special Education Cooperative, 506 W. 4th St., Suite B, Sterling, IL 61081 or call (815) 622-0858.

A speech and language pathologist is available at the school for regular sessions with students identified in need of speech and language development.

A resource room is maintained in the building. The specially trained teacher works with students with specific identified learning disabilities on a regular basis.

PERFECT ATTENDANCE HONOR ROLL

In order to receive this honor, students must have perfect attendance during the grading period.

FIELD TRIPS

Field trips are often taken by elementary classes. These will vary in length from a walk to the local bank to a bus trip. Field trips are not automatically taken every year by every teacher. Whether or not a class takes a field trip is at the discretion of the teacher with approval by the Principal. Such a decision will be based on the educational value of the trip, the educational progress made by the class and the behavior of the class.

It should be noted that going on a field trip is a privilege earned by the class as a whole and by each individual student. Those students who do not complete their work or who have excessive disciplinary problems may be omitted from the trip at the discretion of the teacher and principal.

DRESS

While there is no formal dress code, students are expected to be clean and neat and to wear clothes and shoes that are not distracting (i.e., halter or midriff tops, mesh t-shirts, cut off t-shirts, short-shorts, and so on). Students are not to wear hats in the building. T-shirts must be long enough so they may be tucked in pants or jeans. Obscene or suggestive labels or patches (i.e., alcoholic beverages, controlled substances, sexual connotations, etc.) are not allowed.

Students will be sent home to make necessary changes. A parent conference may be requested if a student's appearance is continuously unacceptable.

Wearing shoes in school is required by State law.

RECESS

Recess is a break for those students who have been working. If a student doesn't have his/her work completed the teacher may direct the student to stay in the classroom to study. Homework may not be done on the playground. In case of inclement weather, recess will be held inside. Notes from parents asking to keep a child inside during recess will be honored at the discretion of the teacher. If your child is ill he/she should be kept at home or have a Doctor's excuse to stay in at recess.

REQUESTING MAKE-UP WORK

When you call the school to inform us that your child will be absent, you may make arrangements to pick up homework after school or have a brother or sister pick it up.

A homework request made late in the day can cause disruption of teaching and is not fair to the other students or the teacher. If you do not request homework before noon your child will need to make up his/her work upon return to school.

PARTY INVITATIONS

Party invitations may not be distributed at school unless everyone in the class section has been invited.

VISITORS

All visitors will report to the school office to sign in and receive a visitor's badge. Visitors will return the badge and sign out before leaving the school.

BUS TRANSPORTATION

School bus transportation is provided for students who live more than 1 ½ miles from school, and to those students living within the 1 ½ mile limit when safety conditions dictate. Buses are also used in transporting teams and groups to various activities.

Safety dictates that students obey the following rules, as well as all rules established by the bus driver.

1. Bus students are permitted to converse quietly with persons sitting near them.
2. All students must be seated and are not permitted to change seats when the bus is in motion or annoy other riders on the bus.

5. In the case of a road emergency, remain in the bus until instructions are given by the driver.
6. The use of profane or abusive language will not be tolerated on the bus.
7. Smoking/Vaping or striking matches is not permitted on the bus.
8. Drivers are not permitted, except by proper authorization by a school official, to stop at places other than the regular bus stop. If special arrangements are required, please contact the principal.

10. Unload only by the front door. Rear door is for emergency only.
11. The throwing of any articles on the bus or out of the windows will not be tolerated.

All students going on the bus to school-sponsored activities must return on the same bus. If a student wants to return home with his/her parents, one of the parents must either see the person in charge and ask permission or send a signed note of approval to the bus driver prior to departure from the school.

If any student is reported by the bus driver for misconduct, that student may be suspended from riding the bus to or from school until the matter has been resolved.

BICYCLES

Students may ride bicycles to school if the parent feels the child is responsible enough to handle this situation. Bikes and scooters must be parked at the bike rack as soon as the child arrives and may not be ridden again until school is dismissed. Bike racks are located so that it is unnecessary for bikes to ever be on the playground. Parents are encouraged to provide locks for both bikes and scooters. Riding bikes and scooters will be curtailed for those students who do not follow these rules. Skateboards are not permitted on school grounds.

LUNCH ARRANGEMENTS

We have a good hot lunch program. Menus are posted in your child's classroom and are also published in the insert from the Prairie Advocate.

LUNCHROOM RULES

The lunchroom is to be a relaxed environment in which children are to enjoy their meal. It will not be a stressful place in which a few students believe they have the right to be loud and overactive. The playground is the proper place to exercise one's body (and vocal cords). These rules will be enforced for the benefit of the majority.

1. Courteous manners will be followed in lining up and picking up food. Generally accepted table manners will be used by the children when eating.
2. Children eating a hot lunch must assume the responsibility for having purchased a lunch ticket.
3. Children will talk in a normal conversation voice.
4. Children will remain seated at their tables until directed to line up to leave the lunchroom. They will raise their hand if they need assistance.
5. Children will help to tidy their eating space when they are finished eating.
6. Children will walk, not run, when moving to pick up food, going to a table, disposing of food trays and going out of the lunchroom.
7. Children will be expected to eat the lunch which has been provided by their parents or guardian, either a sack lunch or a hot lunch. Healthy eating habits will be encouraged.
8. Food will not be taken out of the cafeteria.

What are the disciplinary actions if these rules are broken?

First offense: The child is warned by the lunchroom supervisor.

Other offenses: Disciplinary action appropriate to age/grade level will be taken by the lunchroom supervisor. The principal and the parents will be notified as needed.

Weather permitting, students are to go outside after eating. Do not loiter in the halls, restrooms, or outside classes in session. During inclement weather, go to the classrooms after eating.

Students are not allowed in or around the cars in the parking lot during the lunch period.

HEALTH EXAMINATIONS, INOCULATIONS AND DENTAL EXAMINATIONS

All health requirements set by the State of Illinois for kindergarten pupils must be met by the first day of school, or the student will not be allowed to attend. Any child not meeting these requirements by this date may be reinstated by the administration upon the receipt of evidence of the completion of all requirements or upon notification of the day, time, physician or dentist, and location of an appointment for the completion of all requirements. Dental examinations are required for students entering Kindergarten and 2nd grade.

MEDICAL SERVICES

1. Student's name and birth date
2. Physician's name, signature and phone number
3. Name of medication, including dosage, route of administration, frequency and time of administration
4. Beginning and ending dates of prescription/order
5. Diagnosis requiring medication and intended effect
6. Other medications the student is receiving
7. Time interval for re-evaluation

The medication, whether prescription or non-prescription, must be brought to the school in the original package. Medication must be left in the school office. No medication is to be kept in a student's possession.

In addition to the physician's written order, the school must receive a written request, signed by the parent/guardian, that the medication be given during school hours. The request must include the parent's/guardian's name and phone number in case of emergency.

In the event of illness or accident, school personnel will give emergency care only. Parents will be contacted immediately and are responsible for any additional care needed.

ILLNESS

Any student who becomes ill while at school should go to the office. School personnel will contact the parent by phone before the student is allowed to leave school. A cot is available for student use when it is unnecessary or impossible for the student to go home. As required by the health department, students who are sent home from school because of fever or vomiting may not return to school for 24 hours.
