

SUNFLOWER COUNTY CONSOLIDATED SCHOOL DISTRICT

Mrs. Miskia Davis, Superintendent
"United for Excellence"

Weekly Information Blast: October 21, 2020

K-5 Technology Devices: The SCCSD received its first shipment of laptops for K-5 students. These devices, along with hotspots will be distributed this week on those campuses. Contact your child's school if you are unclear regarding pick-up procedures. *Students in grades 6-12, your devices are on the way!*

Devices/Cameras/Learning Packets: As our devices come in and we ultimately reach a 1:1 status, learning packets will eventually be phased out, as instruction will occur with all children having access. We strongly encourage turning cameras on for class and utilizing appropriate backgrounds, if needed.

Testing: The Mississippi Department of Education has made it clear that students will take end-of-year assessments, no matter what. This means that whether students have learned virtually or whether they are using learning packets, ALL will be held accountable for learning. These end-of-year assessments must be taken on campus. In preparation to meet these standards, Benchmark Testing in the SCCSD will begin November 2, 2020. Students will be scheduled to take these assessments on campus. Subject area assessments, to include ELA, Math, Science, U.S. History, English II, Biology I, and Algebra I are not allowed to be assessed virtually.

Painting Challenge: With new desks, we also decided to spruce up our buildings with a little paint! We have issued a challenge to all of our schools, so if you specialize in painting, your child's school might be needing you!

The poster is for the 'Extreme Classroom Makeover School Edition' by Sunflower County Consolidated School District. It features a yellow background with a globe icon and a paint bucket. The text 'Extreme Classroom MAKEOVER SCHOOL EDITION' is prominent. Below the title, it says 'Update your school by sprucing up your classrooms with a fresh coat of paint!' and lists rules for the challenge. A 'Before' and 'After' photo shows a classroom transformation. At the bottom, it states 'All painting must be completed by January 4, 2021.' and shows a paint bucket and brush.

Sunflower County Consolidated School District

Extreme CLASSROOM MAKEOVER SCHOOL EDITION

Update your school by sprucing up your classrooms with a fresh coat of paint!

- Classrooms can be painted the same color or a different color, but MUST be conducive to learning
- All colors must be approved by building level administration
- Non-neutral colors must be approved by building level administrator and Superintendent (or designee).
- (All black classrooms, hot pink, lime green, zebra print, etc... WILL NOT BE APPROVED)

Paint will be provided by the District, out of school maintenance funds, but schools must find their own painter(s). Painting must be neat, and consideration MUST be made to baseboards, floor, and classroom furniture. Painting plans must be submitted to Mrs. Davis, Mr. Ball, Ms. Robey and Mr. Hawkins before paint is ordered. One five gallon bucket of paint will be purchased per classroom, but you can collaborate and coordinate with your colleagues to create accent walls (or buy your own paint).

- No overtime will be given to paint classrooms
- Painting must not infringe on instructional or work time
- All paint supplies, to include brushes, primer, tape, etc. will be purchased by the district

The winners of the best School Makeover will receive a catered meal for the entire faculty and staff.

All painting must be completed by January 4, 2021.

Fall Trainings from SCCSD Librarians: Over the course of the next few Mondays, our librarians will be sharing helpful videos for students and families regarding library resources, and how they can access them from home. All videos will be premiered on our YouTube Channel (SCCSD Media) and shared on all of our platforms. Check out the topics and dates here: <https://www.sunflower.k12.ms.us/parentstudent>
