PHES Kinder Fun at Home!

April 20-24, 2020 Theme–Earth Day

Please remember that 10-20 minutes per day per subject plus reading everyday is ample to work on and maintain skills, and everything listed is optional. Review the videos from previous weeks to work on counting, addition, subtraction, and sight words, and work on the list of sight words that was mailed with the report cards.

Language Arts

- Read assigned book in Raz kids. Answer comprehension questions at the end of book. Watch the two videos about sentence writing.
