

## HCHS 2020-2021 Lunch Line Numbers & Waiting Areas

\* Lunch time assignments are assigned by teacher pairs if the classroom is not assigned to eat in the cafeteria.

\* Class pairs are assigned to a specific lunch line (map attached) that will be the **ONLY** line used by those classes throughout the school year. Signs are posted at each line for reference.

\* All lunches will be grab-&-go style, with all lines serving the same lunches each day.
