

Student Access Information Sheet

SJRCS is providing students in grades K-6 access online materials for the Journey's reading program available at Houghton Mifflin Harcourt's ThinkCentral Web site. ThinkCentral is an all-in-one learning site that provides access to digital books, activities, readers, and more.

Follow these simple steps to access online materials and assignments:

1. Go to <http://www-k6.thinkcentral.com>.
2. Select your state, district, and school.
3. To make it easier to log in later, check **Remember My Organization** (optional).
4. Enter your user name and password.
5. Click **Login**.

The screenshot shows the login interface for "Students, Teachers & Administrators" on the ThinkCentral website. At the top, it says "Welcome to THINK central". Below this is a dark blue header with the text "Students, Teachers & Administrators". The main area contains several input fields: "State:" with a dropdown menu showing "MARYLAND"; "District:" with a dropdown menu showing "Archdiocese Baltimore Ed Off, Baltimore 21201"; and "School:" with a dropdown menu showing "St John Regional Catholic Sch, College Est 21702". There is a checkbox labeled "Remember my information" which is checked. Below these are "User Name:" and "Password:" input fields, each with a "Forgot" link next to it. At the bottom center is a "Log In" button.

Once logged in, the student welcome page will appear. **Things To Do** displays a list of assignments and their due dates. **My Test Scores** shows your child's progress in assessments. **My Library** gives you access to the online version of the text, as well as any other materials the teacher has made available.
