## News You can Use

Kindergarten is filled with lots of learning, adventure and FUN! For it to be a successful, students need to be at school. When we think about coming to school, we typically focus on whether or not students are absent or not. Did you know that when a student is late (just by 10-15 minutes each day), they miss almost an hour or more a week of instruction that is difficult to make up. Consistently being late or leaving early does influence a child's learning. Routines and procedures are extremely critical to classroom success now, and in the future. Research has shown that young students thrive on consistency (doing things the same way over and over again) and interrupting that flow or process can have an effect on their learning. Start NOW getting your child excited and ready for school. This includes coming every day, all day, and being ready to learn. We are READY to welcome your family to our school. Our teachers are prepared and ready to offer the safest, most engaging, appropriate instruction for your little one. Thank you for sharing them with us. We can't wait to watch them grow and learn.

## Just a few Reminders

- ✓ School doors open at 7:30.
- ✓ Your child must go to the cafeteria BEFORE coming to class. We do not take students to breakfast. There is plenty of time to eat and make it to class on time.
- ✓ Connect to your child's Class DOJO, Communicate with your child's teacher to let them know about what's happening at home. It matters to them, and it matters to us too.
- ✓ Bring a backpack and a SMILE every day.
- ✓ Please plan for your child to stay at school ALL day. Procedures will be shared with your family.
