Dear Parents/Guardians of the Lin-Wood Class of 2033:

I hope this letter finds you and your family well, and enjoying all summer has to offer in the North Country! Your patience and understanding during our Covid 19 processes has been greatly appreciated and I am writing to update you on our plans for the upcoming kindergarten screenings. As you likely know by now, the date for the return to school has been changed to the 8th of September for students, to allow for the teachers time to plan and train for the new and ever-changing protocols given the pandemic needs.

We will be screening your kindergarten child during those first few days of school as well. We will hold the screenings on September 8, 9, and 10th, 2020 at the elementary building. The kindergarteners are scheduled to begin school on Monday, 14th of September. Please call, or email Sheila Rich (srich@lin-wood.org), (603)745-2214 to set up an appointment for you and your child. The process takes approximately one hour and parents/guardians will be involved directly as well.

If you have yet to return your child's paperwork, please work to have that turned in as soon as possible. If you have questions and/or concerns about the process, please do not hesitate to contact me directly. My contact information is: vdoyle@lin-wood.org, (603) 745-2214 ext 248.

We are looking forward to seeing you and your child.

Respectfully,

Virginia Everett

Director of Elementary Education

Assistant Principal
