## **104 SCHOOL DISTRICT VISION AND MISSION STATEMENT**

### **I. PURPOSE**

The purpose of this policy is to establish a clear statement of the purpose for which the school district exists.

### **II. GENERAL STATEMENT OF POLICY**

The school board believes that a mission statement should be adopted. The mission statement should be based on the beliefs and values of the community, should direct any change effort and should be the basis on which decisions are made. The school board, on behalf of and with extensive participation by the community, should develop a consensus among its members regarding the nature of the enterprise the school board governs, the purposes it serves, the constituencies it should consider, including student representation, and the results it intends to produce.

### **III. VISION STATEMENT**

Jackson County Central strives to achieve a strong community and school partnership, providing academic and co-curricular excellence, while maintaining the financial stability of our district.

### **IV. MISSION STATEMENT**

We will work together as staff, students, and community to provide academic and co-curricular excellence.

### **V. REVIEW**

The school board will review the school district's mission every two years, especially when members of the board change. The school board will conduct a comprehensive review of the mission, including the beliefs and values of the community, every five to seven years.
