

## 2021-2022 St. John XXIII Catholic School Junior High Supply List

### 6th Grade Only:

- \$30.00 fee that covers a Bible to be used throughout 6th, 7th, and 8th grade - we will collect Bibles for storage at the end of 6th & 7th grade school years, but will give to students at the end of the 8th grade year

### 8th Grade Only:

- \$45.00 fee that covers 8th grade signature t-shirt and graduation cap/gown

### General: required for grades 6, 7, & 8

(Please be prepared to replenish consumable supplies throughout the year. Also, please note, suitcase-style or accordion-style binders are NOT permitted.)

- pencils
- red, blue, and black pens
- highlighters (four colors - at least one of each: pink, blue, yellow, and green)
- colored pencils
- loose leaf paper
- one 1 inch binder for combined Literature, Expressions, Science, and Mrs. Lacey Math/Mrs. Trinkley Math; or 1.5 inches if you also plan to use this binder for Social Studies or add a pencil pouch
- 6 pack of binder tabs/dividers with pockets
- 3x5 lined index cards
- glue stick
- 2 rolls of duct tape, any color
- 2 boxes tissues
- 1 roll paper towels
- 1 clorox/lysol wipes
- pair of headphones or earbuds for use with laptop/tablet device
- 1 active- or passive-type stylus\* (please see note below for new information)
- plain, white cotton t-shirt for Olympic field day
- (optional) back-up stylus\*
- (optional) two-pocket "Homework" folder

*\*Starting in the 2020-2021 school year, when junior high students are issued a laptop, a stylus will NOT be included. A stylus will be required for every student in grades 6, 7, & 8.*

*Grades 6 and 7 use Dell Latitude 3190. Grade 8 uses HP Probook x360 11 G1 EE laptops, and the only utensil that can be used on the screen is a stylus. Students may not use a finger, pencil, tip of ink pen, or any other item as this can damage the screen. Students may choose between an active or passive stylus; please note that if a student selects the active type, neither teachers nor the tech department will service this stylus if it is not working. We suggest families provide students an inexpensive backup-stylus option in order to prevent a scenario where a student has no stylus in class.*

**Active Stylus:** An active stylus has a tip like a pen and includes internal electronic components. Features include memory and electronic erasers; it also includes pressure sensitivity that allows lighter or heavier lines depending upon how much pressure is applied.

**Passive/Capacitive Stylus:** Like the active stylus, you can tap or write directly on a screen with a passive stylus (also called a capacitive stylus). Unlike an active stylus, the passive/capacitive stylus does not have touch sensitivity or electronic components. There is no communication between the stylus and the device.

**Mrs. Gohlke - Room 312** 8th Grade Language Arts and Religion

- one 1" three-ring binder with clear plastic cover
- 1 eight-pack binder dividers
- 1 red two-pocket folder
- 3 folders **with brads**
- 1 black marble 7.5" x 9.75" composition notebook
- 1 twelve-pack of colored pencils that will be left in the language arts classroom

\*note - do NOT label dividers/folders/notebooks prior to the first day of school

**Ms. Herbert - Room 314** 7th Grade Language Arts and Religion

- red two-pocket folder
- red spiral 1 subject notebook

\*note - do NOT label folders or notebooks prior to the first day of school

**Mrs. Sokol - Room 214** 6th Grade Language Arts and Religion

- blue two-pocket folder
- blue spiral 1 subject notebook

**Mrs. Simcoe - Room 311** 6th, 7th, & 8th Grade Science

- see general list

**Mrs. Martinez - Room 313** 6th, 7th, & 8th Grade Social Studies

- colored pencils for maps & projects (I know it's on the main list, but we really use them, so please ensure you have 1 package)
- folder with pockets, or part of a section of another binder with pockets
- 1 - 3 subject spiral notebook with 150 pages and 3 sections - This is used for note taking, 7 minutes of writing & other hand written assignments. This is not to be used with other classes!

**Mrs. Trinkley - Room 213** 5th, 6th, 7th, & 8th Grade Math (all levels)

- TI-30XIIS Calculator
- loose leaf paper (1 pack)
- pencils
