

# ACBOE Proposal

## Mobile Classrooms

Collaborative effort between elementary, secondary, and the ACTC.

### Steps to completion:

- Secure buses
- Install air conditioners, security system, and awning
- ADA Compliance check (ramps)
- Install electrical outlets
- Paint buses (we are looking for a WOW factor)
- Design layout
- Rip out existing features (seats, floor)
- Install new flooring
- Install furniture
- Include supplies & equipment
- Develop "kits" for implementation
- Trainer / facilitator to operate

### Vision:

- Have ACTC students help design & build mobile classrooms
- Provide art lessons for gr. K-4
- Provide STEM lessons for gr. 5-8
- Access to all ACBOE schools K-8
- Provide hands-on activities

### Partnerships:

- City of Prattville / Chamber of Commerce
- Local vendors including A/C's, artists, etc.
- Curriculum - TBD
- Grant opportunities
