PARENT BULLETIN

SUCCESSFUL OPENING OF SCHOOL: Thank you to all our parents for your help in making the opening of school such a success. We understand that parents want to walk their child to his or her classroom during the first week of school; however, beginning Friday, August 13th, all parents are to use the unloading area in front of the school and let the children enter the building on their own. Teachers are on duty in the halls and will make sure all children get to class safely. Parents may not park to walk children into the building or park to pick them up in the afternoon. Remember everyone must follow the afternoon dismissal procedure as stated in the handbook. This may be difficult but be assured your child will be well cared for. They are very precious to us, too! Your support and cooperation are appreciated as this will help establish a routine and make the transition easier. We are looking forward to an exciting school year.

PTO MEMBERSHIP: Please remember to join PTO by Friday, September 24th. Membership is \$10.00 per family. Our goal is to have 100% membership. Joining PTO is one way everyone can help.
