

STEM SUMMER CAMP 2021

(Current 8th and 9th graders)

Our Purpose

Currently, there are exceptional career opportunities for females in the field of Engineering.

The purpose of this camp is to expose females to career opportunities in a nontraditional field.

Make the most of your summer by taking a step closer to your future!

Girl's Engineering Camp Overview

Campers will investigate various engineering fields, meet women engineers, participate in daily hands-on activities, and design projects. This camp is FREE to students who are currently in the 8th and 9th grades.

Each day students will receive a free lunch and have the opportunity to purchase snacks!

Camp Details:

June 1st - 4th & June 7th - 10th

9:00-12:00 Noon (daily)

To Enroll

- Must be a current 8th or 9th grader in a Houston County School
- Complete the application form
- All questions answered, initials, and signature are required
- Phone numbers required, email requested if available
- Please print all information clearly & legibly
- Check permission for photography of your child where requested

*If we have more applicants than seats, students will be selected through a system-wide lottery process.

All classes will be held at the

Houston County Career Academy

1311 Corder Road

Warner Robins, GA 31088

APPLICATION

Dear Parent or Guardian,

Your child has earned the opportunity to participate in our new, unique camp. Students taking part in the camp will be learning skills in STEM pathways at the Houston County Career Academy on **June 1-4, 2021 and June 7-10, 2021 9:00-12:00 Noon**. If you would like your child to participate, please fill out this complete page, initial the statements below, and return to your school's counselor.
