Each year of school is important, and as you begin your school year, the DeSoto County School District will strive to provide opportunities for you to develop academically, physically, socially, and emotionally. At the time of writing this handbook, these following policies were the most up to date. Please periodically check the district website for up to date board policies.

ACCREDITATION STATUS

Hernando Middle School is part of the DeSoto County School System, which is the largest school district in the State of Mississippi.

Every school in the district is accredited by the Mississippi Department of Education Commission on School Accreditation and by the Southern Association of Colleges and Schools, which is the highest accrediting agency.

VISITORS

All visitors must enter and exit through the school office. Visitors must follow the school dress code during visitations at HMS. Our school does not permit visitors into the classrooms during regular school hours without clearing your visit with the Principal.

SCHOOL BOARD POLICY

The most current school board policies can be found at www.desotocountyschools.org . Please check periodically for updates, changes, and additions.

***Hernando Middle School **does not** allow delivery of flowers or gifts to students, nor do we allow classroom parties or birthday parties in the cafeteria.

Asbestos Management Plans

The Desoto County School District has asbestos management plans for each school in accordance with the Asbestos Hazard Emergency Response Act. The management plan can be reviewed in the main office of the school. Any questions may be directed to Desoto County Board of Education, Jerry White at 662-429-5271.

ATTENDANCE/EXCUSED ABSENCES

The Office of Compulsory School Attendance Enforcement is responsible for ensuring that all Mississippi students are afforded the opportunity to attend school and to enforce the Mississippi Compulsory School Attendance Law §37-13-91 of the Mississippi Code 1972 Annotated. The law governs compulsory school attendance. It requires a parent, legal guardian or custodian who has legal control or charge of a child age six (6) to seventeen (17) to enroll him or her in an education program (i.e. public, private or home school). Student enrollment must occur except under the limited circumstances specified in subsection three (3) of §37-13-91 which includes, but are not limited to, sending the child to a state approved, nonpublic, or educating the child at home in an organized educational program. July 1, 2003, the law was amended to include the following: a child, five (5) years of age, who enrolls in public kindergarten, will have to abide by the same guidelines as outlined in the §37-13-91.

The instructional day is therefore defined as a school day in which pupils are in regular attendance for scheduled classroom instruction for not less than sixty-three (63%) of the required instructional time, as fixed by the local school board for each school in the school district. The school board will review and approve the instructional time for each school in the school district annually prior to the beginning of the school year.

Each of the following shall constitute an excused absence:

1. Illness or injury that prevents the student from being physically able to attend school.
2. When isolation is ordered by the county health officer, the State Board of Health, or an appropriate school official.
3. Death or serious illness of a member of the immediate family, which includes grandparents, parents, brothers, sisters, stepbrothers, and stepsisters. **The absences must be approved by the principal or his/her designee.**
4. A medical or dental appointment documented with the proper excuse from the attending physician/dentist upon return to school.
5. Attendance at the proceedings of a court or an administrative tribunal if the student is a party to the action or under subpoena as a witness.
6. Observance of a religious event, **with prior approval** of the principal or his/her designee.
7. Attendance at an authorized school activity **with the prior approval** of the principal or his/her designee.
8. Participation in a valid educational opportunity, such as travel including vacations or other family travel, **with prior approval** of the principal or his/her designee.
9. An absence may be excused when it is demonstrated to the satisfaction of the principal or his/her designee, that conditions are sufficient to warrant the child's non-attendance. However, no absences shall be excused by the principal or his/her designee, when any student suspensions or expulsions circumvent the intent and spirit of the compulsory attendance law.

MIDDLE SCHOOL STUDENTS (6-8)

- Seven (7) absences may be excused by a note from a parent/guardian.
- **Any** additional absence after the seven (7) excused by a parent/guardian not **must** be excused by a note from a doctor or other documentation excusing said absence.
- Any documentation being given for excuse of absence (s) **must** be submitted to the principal or his/her designee within two (2) days of returning to school, unless granted an exception by the principal for extenuating circumstances.
- When a student has exceeded five (5) unexcused absences, the Desoto County Attendance Officer shall be notified in writing within two (2) days by the school principal or his/her designee.

Make-up Work Policy

When a student is absent from school (excused or unexcused), the number of days allowed to complete any required make-up work is commensurate with the number of days missed to a maximum of five (5) days. For example, if a student is absent from school for one (1) day, the student has one (1) day to complete the required make-up assignments. If the student is absent for five (5) days, he/she will have five (5) days to complete his/her make-up work. If the student is absent for twelve (12) days, the student has five (5) days to complete the missed work. The principal has the discretion to allow additional time or limit the number of required assignments in extreme situations.

Exemption Policy (Grades 6-8)

Students in grades 6-8 may be exempt from final exams if the following criteria are met:

- 1) The student has a ninety-five (95) or above semester/term average in the course;
- 2) The student has an eighty-five (85) or above semester average and does not have five (5) days/periods **unexcused** absences for final exams;

- 3) Student has not been assigned to an Alternative Learning Center (ALC) for more than five (5) days, has not been suspended and/or placed in the DeSoto County Alternative Center (DCAC) or the Juvenile Detention Center (JDC) at any time during the semester (August-December or January-May).
- 4) **Excused** absences will not impact course exemptions.

GRADING POLICY

Students must demonstrate mastery of the content required for each grade. Content is determined by the objectives listed in the curriculum for DeSoto County Schools in major subject areas. All of the skills from the State of Mississippi Curriculum Structure are included. Each nine weeks' grade is computed by averaging grades for the nine weeks. The semester grade is computed by averaging the two nine-week grades (45 % each) with the semester examination grade (10 %). The yearly grade is computed by averaging the two semester grades. The grading policy for disabled students will be consistent with their current Individualized Education Plan (IEP). The grading policy for English Language Learners (ELL) will be consistent with English language proficiency.

Numerical grades may be converted to letter grades using the following scale:

A	90-100
B	80- 89
C	70- 79
D	65- 69
F	0- 64

No grade (NG) – Because of excessive absences/IEP stipulation

EMERGENCY DRILLS AND PROCEDURES

Hernando Middle School has a crisis management plan for emergency situations. All students should thoroughly acquaint themselves with the following:

Fire Drill and School Evacuation Plan

Students are to become familiar with the school evacuation plan, which is posted in each classroom. The signal to evacuate the school is a shrill tone and strobe lights in the hallway. When the bell rings, all students should be silent immediately and follow the directions and instructions of their teachers.

Tornado Drill

If there is a tornado alert or if a tornado drill is being conducted, there will be an emergency siren over the intercom. When reaching the designated shelter areas, students and teachers will be seated with their backs to the walls, knees drawn up, and head between their knees. Coats and jackets, when available, could be used to cover head, arms, and legs so as to reduce injuries from flying pieces of glass and other debris. They should stay in this position until the “All Clear” signal is issued verbally. Refer to and become familiar with the details of the emergency plans for your school.

Earthquake Drill

If there is an earthquake, no warning will be given. In the event of a drill, there will be an emergency siren over the intercom. Students and staff are to take cover under their desk. Students and staff will exit the building when an announcement is made and follow all procedures for school evacuation.

DESOTO COUNTY SCHOOL DISTRICT’S CODE OF DISCIPLINE

FORWARD

The Uniform Discipline Code has been developed in consultation with students, parents, teachers, and administrators so they will know and understand that firm, fair and consistent discipline policies are to be maintained in all DeSoto County public schools. Use of this Code is intended to ensure a stable learning environment in an atmosphere which encourages academic excellence. It is expected that staff members, students and parents will work together to support and enforce the code regulations with equity and consistency for all students.

A copy of this Code shall be distributed to each student and the parents, legal guardian or custodian of each such student shall sign a statement verifying that they have been given notice of the Code.

INTRODUCTION

The uniform Discipline Code of the DeSoto County Schools provides a uniform standard of conduct for all public school students. It describes inappropriate student behavior, ensures equal treatment for misconduct, and prescribes specific actions for remediating prohibited behaviors. The

Code is based on the premise that rules must be enforced fairly, firmly and consistently and in a fashion equitable and just, while complying with state mandates and regulations. It recognizes that as student's progress in school and advance in age and maturity, they will assume greater responsibility for their actions. It is also recognized that differences in age and maturity require different types of disciplinary action.

In this Code, discipline is defined as the implementation of and adherence to behavioral rules and regulations which will ensure an educational environment free of mental and physical hazards to students, teachers and staff. Such an environment is conducive to the practice of good citizenship and encourages learning. The enforcement of the Code will help ensure a safe and orderly school climate for students and staff alike.

Specific provisions of the Code include:

1. A parent, guardian or custodian of a compulsory school age child enrolled in the DeSoto County Schools shall be responsible financially for his or her minor child's destructive acts against school property or persons.
2. A parent, guardian or custodian of a compulsory school age child enrolled in the DeSoto County Schools may be requested to appear at school by the school attendance officer or the principal, for a conference regarding the destructive acts of their child, or for any other discipline conference regarding the acts of the child.
3. Any parent, guardian or custodian of a compulsory school age child enrolled in the DeSoto County Schools who refuses or willfully fails to attend such discipline conference specified in paragraph (2) of this section may be summoned by proper notification by the superintendent of schools or the school attendance officer and be required to attend such discipline conference.
4. A parent, guardian or custodian of a compulsory school age child enrolled in the DeSoto County Schools shall be responsible for any criminal fines brought against such student for unlawful activity occurring on school grounds or buses.
5. Any parent, guardian or custodian of a compulsory school age child who
 - a. fails to attend a discipline conference to which such parent, guardian or custodian has been summoned under the provisions of this section, or
 - b. refuses or willfully fails to perform any other duties imposed upon him or her under the law shall be guilty of a misdemeanor and, upon conviction shall be fined not to exceed an amount provided by law.
6. The DeSoto County Schools shall be entitled to recover damages in an amount not to exceed an amount as provided by law, plus necessary court costs, from the parents of any minor (7-17) who maliciously and willfully damages or destroys property belonging to this school district. However, this section shall not apply to parents whose parental control of such child has been removed by court order or decree.
7. As an alternative to suspension, a student may remain in school by having the parent, guardian or custodian, with the consent of the student's teacher or teachers, attend class with the student for a period of time specifically agreed upon by the teacher and school principal. If the parent, guardian or custodian does not agree to attend class with the student or fails to attend class with the student, the student shall be suspended in accordance with this Code.

Once a student is accepted into DCAC, the District Review Board and Transition Team will develop an Individualized Instruction Plan (IIP) for each student. The plan will follow the program and class schedule of the home school. DCAC follows the frameworks that are established by the state of Mississippi for the subject matter to be taught in each course. Certified personnel will send a daily feedback sheet home that requires a parent signature for all students attending DCAC.

An Individualized Education Plan (IEP) committee meets to determine every change of placement for our special education students. Students with special education rulings follow their IEP while at DCAC.

Parents are notified of the recommendation for placement at DCAC during the disciplinary hearing. The home school will contact the parent once acceptance is granted by the District Review Board. All parents and students will meet with a DCAC administrator to discuss the DCAC program and requirements. The minimum time that is required to complete DCAC is 30 school days, but the stay can be longer if the student does not progress properly.

The District Review Board consists of school-level administrators, district-level administrators, and counselors as determined by the Director of Pupil Services.

Bullying or harassing behavior is any pattern or gestures or written, electronic, or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristics that (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property, or (b) creates a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits. Any more detail concerning this policy can be found at desotocountyschools.org
