September 13, 2020

Tony Shinall  
Superintendent

Brimfield Families:

Julie Albritton  
Grade School Principal

Today, Sunday, September 13, 2020, we learned of a positive case of COVID-19 within our district at the grade school. We have worked with the Peoria City/County Health Department to assist in contact tracing.

Bill Robison  
High School Principal

Due to the strong mitigation strategies the district has employed, only seven additional members of the Brimfield family will have to be out as well. All individuals who need to quarantine per the guidance of the Peoria City/County Health Department have been notified.

Bren Dwyer  
Grade School Secretary

Julie Edwards  
High School Secretary

Cleaning of the areas/rooms which may have been affected will occur tonight, Sunday, September 13, 2020. We intend to return to school for in-person instruction on Monday, September 14, 2020. We will continue with self-certification with families via lanyards, daily temperature checks upon entering the building, social distancing, mandatory masking and consistent sanitizing and disinfecting throughout the day. We will continue to handle each situation independently as it arises.

Kelsey Messineo  
School Counselor

Kevin Kreiter  
H.S. Athletic Director

Jason Sunderland  
G.S. Athletic Director

Kyle Petty  
Bookkeeper

As always, we encourage families to monitor for symptoms. If you experience symptoms, we encourage people to stay home and contact your primary health professional. Your flexibility, patience, and support are extremely appreciated at this time. We are confident that in-person instruction is still the best course of action at this time, providing for the ultimate learning opportunity.

Michele Cox  
Asst. Bookkeeper

Lonna Sumner  
District Nurse

Yours in Education,

Tony Shinall
