Dear Students, Parents, Guardians and Stakeholders,

Welcome to the Shippensburg Area Virtual Education (S.A.V.E.) cyber option. S.A.V.E. is a collaborative effort between Shippensburg Area School District and the Capital Area Intermediate Unit (CAIU) to provide new learning options for students. S.A.V.E.'s web-based courses meet the increasing demand for high quality student instruction that incorporate proven online learning practices and next generation software. Enrolling in S.A.V.E. means students will have the opportunity to experience flexible and non-traditional learning options with individualized pacing. Students will learn from curriculum that is state aligned and rigorous with an emphasis in 21st century skills. Furthermore, students can continue to be a member of their local school and participate in school events and activities.

As a S.A.V.E. student, you have three options of cyber to best fit your needs. You may be a member of our full time cyber program, hybrid program, or blended program. Each program is designed to meet your individual needs. Our full time cyber program option allows you to work full time from the comfort of your home. Our hybrid cyber program option allows students the option to receive additional tutoring and one on one or small group instruction at a Shippensburg Area school for supports when needed. The blended program option allows you to take some classes online at home and some classes in the school.

This handbook has been developed to provide you with an overview of the S.A.V.E. organization, support system and important policies and procedures. S.A.V.E. students remain enrolled in the local school and therefore will use the school as a resource. This handbook will provide you with clear guidelines on both your responsibilities and the schools responsibilities. It is important for you to remember that you have selected a program that is part of our public school and therefore must comply with various state and federal regulations.

We look forward to working with you this school year. Our commitment is to support student success, and we are dedicated to achieving that goal together. If you have questions, we are here to help. Please do not hesitate to contact the S.A.V.E. office and discuss any concerns that you may have.

MISSION STATEMENT

Our mission is to prepare all students to be productive citizens who possess knowledge, accept responsibility, demonstrate problem solving skills, and succeed within a dynamic global society.

APPLICATION

Students entering Shippensburg Area Virtual Education will be required to complete an application to the program with their family to determine online learning interest. Once the application is completed, the family will be scheduled to meet with one of the Shippensburg Area Virtual Education Advisors. The Advisor will go review the program with families along with online learning procedures.

ATTENDANCE POLICY

State Law provides that parents/legal guardians are responsible for ensuring that their student(s) attends school. Students taking online courses are expected to follow the school district calendar.

K-5 S.A.V.E students must complete all items on their daily "To-Do List to be counted as attendance for the day.

6-12 S.A.V.E students must complete one lesson assessment per course per day. Example: If you are registered for three courses, you must complete three lesson assessments each day.

Students are expected to sign in to the courseware daily and communicate with their advisor at least once a week. Failure to login and complete the required lessons, will result in an unexcused absence. Students not attending school as mandated by the law will be considered truant. Students and their legal guardians are subject to local truancy laws and regulations.

EXCUSED ABSENCES

Shippensburg Area School District (SASD) recognizes that circumstances can occur that will keep a student from completing daily lessons and signing into the system. These types of absences are considered excused absences and should fall into one of the categories below. Students are expected to work with their advisor and online teachers to make up any missed work.

1. **Absence due to illness, health condition, family emergency.** The parent or legal guardian is expected to notify the assigned advisor via email prior to the absence unless the situation does not provide such opportunity. All absences beyond ten (10) days shall require an excuse from a licensed physician. The note must be turned into the main office within three (3) school days of the absence.
2. **Participation in school approved activity.** In order to be granted an excused absence, the activity must be authorized by the advisor and parent. The affected online teachers must be notified prior to the event.
3. **Parental request for temporary absence.** Upon parental request, the advisor and S.A.V.E. personnel may temporarily excuse a student for agreed reasons. The request should be submitted in writing in advance and should state the reason and duration of the absence. An absence may not be approved if it is deemed to be detrimental to the student's academic progress.
4. **Parental request for educational trip.** Students may be excused from school attendance to participate in an educational trip or tour not sponsored by the district if the following conditions are met:
 - The parent/guardian submits a written request for excusal prior to the absence
 - Please use this link to acquire the form: <http://www.shipk12.org/wp-content/uploads/2013/08/Educational-Trip-Form-SASD-Updated-2015.pdf>
 - The student's participation has been approved by the Superintendent or designee

- The adult directing and supervising the tour or trip is acceptable to the parents/guardian and the Superintendent or designee
- The student will be responsible for making up any work missed during the period of absence

Disciplinary actions. Absences due to temporary suspensions are deemed excused for attendance record keeping.

UNEXCUSED ABSENCES

Any absence that does not fall into an excused absence category or is not adequately documented will be considered an unexcused absence. Pennsylvania law requires that after three (3) days of illegal/unlawful absence, a notice will be given to the parent/guardian of the student. In addition, excessive absences and/or unexcused absences of more than three days may result in prosecution through the District Justice's office in accordance with the School Laws of Pennsylvania.

Parents/guardians of students who miss five (5) days of school will receive an informative letter. If the student accumulates ten (10) days of absences, a second letter shall be sent requiring a medical excuse to be submitted for each additional absence, unless there are extenuating circumstances. Absences not documented by the medical excuse will be considered as illegal/unlawful.

Three or more unexcused absences occurring in a month will require a conference with the parent, student, advisor and principal. At that time an action plan will be determined to ensure student success. If a student has ten or more unexcused absences, he/she will be required to return to his/her home school.

SCHOOL CALENDAR

Students enrolled in online learning are expected to follow the school district calendar. Students wishing to deviate from the district calendar must contact their advisor to make arrangements.

- Each lesson of each online course contains multiple methods for students to learn the material that accommodates different learning styles. Additionally, each online course has an online or hard copy textbook to specifically accomplish the lesson objectives. Furthermore, each lesson has an assessment

in order to gauge the student's understanding of the lesson objectives. Note, however, that Advanced Placement courses may not have all of these features.

- Students enrolling as a cyber student will work with their guidance counselor or school representative and parent/legal guardian to determine proper placement in courses. The school will place the student at the appropriate level taking into consideration previous grades, courses taken, earned credit, academic performance, assessment tests, and graduation requirements.
- Each student will have an online teacher that will monitor the student's progress and, if necessary, create interventions to help the student master the lesson objectives.

ENROLLMENT, WITHDRAW, TRANSFER AND DROPPING OF A COURSE

- **Complete an application to Shippensburg Area Virtual Education**
- Schedule a meeting with the school guidance counselor, cyber teacher and parent/guardian

STUDENT WITHDRAW

Students participating in the cyber model may withdraw from the program provided that the parent/legal guardian indicates in writing the reason for withdrawal, the name and location of the public or private school that the student will attend and expected exit date from the program. Parents may initiate withdrawal from the program by contacting the student's advisor. The local school will contact the parents to ensure proper paperwork is completed and equipment is returned to the school.

DISTRICT WITHDRAW

Shippensburg Area School District reserves the right to withdraw students from Shippensburg Area Virtual Education program if students are not attending the online school or if they are not progressing academically. This can only be done after a mediation meeting with the student, advisor, and family. If the advisor shows three attempts to schedule a meeting with "no show" from the student and/or family, the district reserves the right to withdraw the student from Shippensburg Area Virtual Education to return to a Shippensburg Area School District Brick and Mortar building.

TRANSFERS

Students taking online courses *may* continue with their school work if they transfer to another CAIU cyber member school district. Parents must contact both the current school and future school in order to make arrangements for the student to continue with online courses. The new school has the authority to accept or deny any requests for continued participation in the full time cyber program.

DROPPING A COURSE

Students have 14 calendar days to drop an online course without incurring a penalty. The two week window starts on the course start date and includes weekends. Shippensburg Area School District (SASD) may charge a fee for dropping the course after the two week window has expired.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students." SASD follows the FERPA act and requires that any requests for academic records be made to the school of residence where all academic records will be maintained. The local school of residence can assist with questions pertaining to FERPA and students enrolled in the online learning program.

STUDENT RECORDS

A cumulative file will be maintained for the student while enrolled in the S.A.V.E. program. This record shall contain only verified information of educational importance and may be used only for the benefit, promotion, or welfare of the student. All material in each student's file shall be confidential and access thereto strictly limited to personnel at SASD, S.A.V.E. and parents/legal guardians.

SPECIAL EDUCATION SERVICES

SASD is required, under the Individuals with Disabilities Act (IDEA) to ensure educational services to students with disabilities. Students with Individualized Education Plans (IEP) or 504 plans will be accommodated within the courseware. Communication between the student's advisor and online teachers will ensure the student receives the proper modifications outlined in the IEP or 504 plans. To ensure that each student has the proper support for their individual needs, please contact the SASD Special Education Department at (717) 530-2700 ext. 1042.

GRADING

Students have immediate and continuous access to grades by logging into the system. Grades for assessments and tests will be posted within 24-48 hours from the date they were submitted. Student GPA and class rank will be calculated by the local school district.

Students are permitted to make up missed assignments without grade penalty due to excused absences. Advisors will closely monitor student make up days and communicate with online teachers. An incomplete grade may be given on the quarterly report card if the student's make up days overlap with a quarter end date. The student will have ten days after the end of the marking period to complete any work or the incomplete may change to a 0%. Principals will be notified of incompletes for semester grades and may request a conference with the student and parent.

Students are permitted to retake any major test that he or she has failed. The student must request a retake for the test through the advisor. The advisor will determine if the request is appropriate and will notify the online grader of the request. The higher score will be recorded in the grade book with the lower score being removed.

10

Lice: Any student found to have pediculosis (lice) will be excluded from school. The school nurse will notify other school nurses when appropriate. The school nurse will instruct parents on the identification and proper treatment of lice and nits. School nurses will examine students, with parents present, before reentry to school is granted.

FIELD TRIPS AND SOCIAL ACTIVITIES

Cyber students are encouraged to participate in school sponsored activities. Students must comply with all SASD policies and not be on disciplinary action. Students wishing to attend field trips or social activities must first notify their advisors and make proper arrangements with SASD. Students are prohibited from driving to field trips unless special permission is granted from a building administrator. Once arrangements and permission is granted students will then notify their online teachers of their excused absence. Students are responsible for completing missed work during the field trip or social activity.

Cyber students should remember that they are still a member of their school district and therefore should dress appropriately. SASD dress code policy will be enforced and any student found in violation of the dress code policy will not be allowed to participate in the field trip or social activity. Students also should be aware that when they attend a SASD related function they are representing their local school and community. They should conduct themselves in an appropriate manner at all times as their conduct is a direct reflection on themselves, their families and their school.

CODE OF CONDUCT

SASD expects students enrolled in online learning to follow the local code of conduct policies. SASD will not tolerate any actions from students, parents, staff or visitors that in any way interfere with the delivery of educational services, jeopardize the healthy, safety, and well-being of any member of the school community, or threaten the integrity and stability of the online learning program or the school itself.

School administration will use their professional judgment in determining which disciplinary action will be most effective in dealing with the student's misconduct. Student's age, maturity, natures of infraction and previous record are a few of the circumstances that will be taken into consideration when disciplining.

The following infractions on the code of conduct may result in disciplinary action:

Advisors will work with students, parents and coaches/directors to assist students that are in danger of academic probation.

ACADEMIC INTEGRITY/PLAGIARISM

It is expected that all work submitted for the purpose of meeting online course requirements represents the original efforts of the individual student. This includes, but is not limited to exams, homework, course assignments, and the original creation of essays, compositions, term papers and scientific research. All work submitted by a student should be a true reflection of his or her own effort and ability. If such is not the case, then the student has demonstrated unacceptable academic behavior and is subject to disciplinary action. Administrators, faculty, advisors, students and families are all important contributors to the upholding of academic integrity in the online learning community.

Plagiarism is defined as copying/stealing and passing off as one's own the ideas or words of another, using someone else's created product without crediting the source, or committing literary theft. Examples include the following:

- Turning in a paper retrieved from an Internet source as one's own
- Using another student's work in whole or part and handing it in as one's own
- Using information from an encyclopedia, book, textbook, web site, database, etc., without citing the source
- Using another person's idea, opinion, or theory without citing the source
- Using any facts, statistics, graphs, drawings, pictures, sounds or other piece of information which you found from any source that is not common knowledge, without citing the source
- Using quotations of another person's actual spoken or written word without citing the source
- Paraphrasing (putting into your own words) another person's unique ideas, spoken or written, without citing the source.

As the Internet becomes increasingly more accessible and sophisticated, the incidents of plagiarism in submitted student papers and projects have increased. Many institutions of higher (post-high school) education penalize plagiarism with student expulsion. Therefore, in the interest of the student's future education, as well as the school's part in the personal development of students, SASD will follow the policy on plagiarism as outlined below:

Plagiarism will result in a "zero" (no credit) on the assigned paper or project. Teachers will provide written documentation of the plagiarism and will use the following procedure:

12

- A.** Discussion with the student
- B.** Referral to the school principal or assistant principal
- C.** Call to parents by the principal or teacher
- D.** Principal's referral to co-curricular coaches/advisors and National Honor Society as applicable

When plagiarism is found to have taken place, the student must still meet the minimum requirement(s) of the course by rewriting the assignment according to teacher specifications. The student's grade on the rewritten assignment will be no higher than a "C." Failure to rewrite the assignment will result in an "F" for that assignment. A second plagiarism offense will automatically result in an "F" for the course.
