

**Device Protection Program 2020-2021
Grades 9-12**

Students in grade 9 are assigned a brand new district Chromebook to use until they graduate. Students and their parent(s) and/or guardian(s) are required to electronically review and agree to the district's [Acceptable Use Policy](#) (this is done when you register your child for school), the [Student Device Guidelines and Procedures](#) in the Student Device Handbook, and must complete the [Student District Device Agreement](#) online "paperwork." As with all school property, students and parent(s)/guardian(s) are responsible for any damage or loss. It is strongly recommended that students and parent(s)/guardian(s) participate in the Device Protection Program. Participation is required for those who wish to keep their Chromebooks upon graduation (see **For Freshmen, Sophomores and Juniors** below*).

Cost: \$25 - Device insurance for all students for the 2020-2021 School Year, non-refundable.
\$24 - Protective Case for Chromebooks, non-refundable.

Upon enrolling at Rocky Hill High School, each student will be provided with an individual device for the duration of his/her high school experience. Beginning with the class of 2022, seniors will be permitted to keep their devices upon graduation. (Students who exit the high school without completing four years may purchase the device on a prorated basis). Parents/Guardians will be required to purchase insurance for the district-issued device on an annual basis.
