

STUDENT NAME \_\_\_\_\_

**ANADARKO PUBLIC SCHOOLS  
FIELD TRIP PERMISSION FORM**

School related field trips are designed to enrich the taught curriculum and are considered to be a privilege for Anadarko Public School students. I understand that District Student Code of Conduct rules apply to my child while he/she is attending school related field trips. I further understand that my child's failure to follow the Code of Conduct rules throughout the school year could result in the loss of school related field trip privileges, at the discretion of the principal, for my child.

\_\_\_\_\_ I **give permission** for my child to attend school related field trips during the school year.

\_\_\_\_\_ I **do not give permission** for my child to attend school related field trips during the school year. I understand in not giving permission that I must contact the principal to make other arrangements for my child's supervision on the day(s) his/her class is taking part in a school related field trip.
