## Starkey Mortgage is offering **Randolph County School System** Employees a \$500 credit towards closing costs

Starkey Mortgage is committed to building strong and lasting relationships within our communities. The Corporate Connection program allows companies/corporations to offer their employees considerable savings when they refinance or purchase a home. There is no cost to the company/corporation and Starkey Mortgage provides educational and marketing materials regarding its loans products. Benefits of this program include a \$500 credit towards closing costs and mortgage educational materials for employees.

**You can trust Starkey Mortgage to provide you with unbiased information throughout the mortgage process. Please contact me or visit my website to learn more!**
