

May 2020

Dear NBASD Families,

We wanted to take this time to update you on some end of the year activities at all of our buildings. Please see below for updates and contact your child's Principal if you have additional questions.

5th Grade Program

During the final week of school, each day one 5th grade homeroom will be highlighted during the morning announcements. Stay tuned for the morning announcements that week, posted daily to the Home Education tab on our website and Facebook, to hear announcements targeted at each 5th grade homeroom.

Middle School Honors Assembly

There will be a virtual event for New Brighton Middle School students at 1:00 p.m. on Wednesday, May 27, 2020. Students will receive an invitation prior to the event. The invitation will be sent through their student email account and will contain log-in instructions.

High School High Honors Program

The High Honors Banquet will be pre-recorded to include messages to our students and recognition of their names and accomplishments in a similar fashion as to what would be shared at the live banquet. The video is expected to be shared on Wednesday, May 27 via our website. We will send information as soon as it is posted.

High School Awards Assembly

The Honors Assembly is an annual event that generally recognizes close to 100 awards and scholarships received by our Seniors. The impact of Covid-19 has caused significant delays for many organizations who traditionally present awards and scholarships at our annual program. As of May 19, 2020, there are less than ten who are prepared with their award or scholarship and many organizations have pushed their due dates into mid-June. We are postponing this event and will release information on the accomplishments of our Seniors in early July.

We hope these activities will allow us to celebrate our students at the close of another school year.
