

HOW TO USE THIS BOOK

180 Days of Reading for Kindergarten offers teachers and parents a full page of daily foundational reading practice activities for each day of the school year.

Easy to Use and Standards Based

These activities reinforce grade-level skills across a variety of reading concepts. The questions are provided as a full practice page, making them easy to prepare and implement as part of a classroom morning routine, at the beginning of each reading lesson, or as homework. The weekly focus alternates between fiction and nonfiction standards.

Every kindergarten practice page provides questions that are tied to a reading or writing standard. Students are given the opportunity for regular practice in foundational reading skills, allowing them to build confidence through these quick standards-based activities.
