

# 7<sup>th</sup> Grade Pacing Guide

# Marion County Schools

Classes/date	7th - Math	7th - ELA	7th - Science	7th- S. S.
<b>Monday, March 23</b>	Computing Unit Rates Associated with Ratios of Fractions	Arguments and Claims	What is Science?	The Beginnings of Human Society  Why Study History?
<b>Tuesday, March 24</b>	Post-Test: Computing Unit Rates Associated with Ratios of Fractions	Arguments and Claims	What is Science?	The Beginnings of Human Society  Who Studies History?
<b>Wednesday, March 25</b>	Representing Proportional Relationships between Quantities	Finding & Using Explicit Textual Evidence	Scientific Method	The Beginnings of Human Society  Study Methods
<b>Thursday, March 26</b>	Post-Test: Representing Proportional Relationships between Quantities	Post-Test: Finding & Using Evidence	Observation & Questioning	The Beginnings of Human Society  Project: Point of View
<b>Friday, March 27</b>	Using Proportional Relationships to Solve Problems	Using Textual Elements to Determine the Theme	Data Collection, Analysis, & Communication	The Beginnings of Human Society  Quiz 1: What is History?

<b>Monday, March 30</b>	Post-Test: Using Proportional Relationships to Solve Problems	Post-Test: Discovering the Theme & Analyzing its Development	Quiz 1	The Beginnings of Human Society  People's Earliest Beginnings
<b>Tuesday, March 31</b>	Adding and Subtracting Rational Numbers	Determining How Authors Create Compelling Settings RL.7.3	Ethics & Bias	The Beginnings of Human Society - Effects of Environment and Geography on the Human Race's Development
<b>Wednesday, April 1</b>	Post-Test: Adding and Subtracting Rational Numbers	Post-Test: Analyzing the Interaction of Story Elements	Quiz 2	The Beginnings of Human Society  How Early Humans Communicated
<b>Thursday, April 2</b>	Multiplying and Dividing Rational Numbers	Finding Rhyme, Repetition, & Alliteration in Poetry	Science & Society	The Beginnings of Human Society  Project: Environment
<b>Friday, April 3</b>	Post-Test: Multiplying and Dividing Rational Numbers	Post-Test: Determining Contextual Meaning of Words & Phrases	Science & Technology	The Beginnings of Human Society  Quiz 2: The Emergence of the Human Race

<b>Monday, April 6</b>	Solving Problems Involving The Four Operations With Rational Numbers	Reviewing Dramatic Conventions & Identifying Them in a Play	Careers in Science	<p>The Beginnings of Human Society</p> <p>Impact and Influences of Early Agricultural Societies</p>
<b>Tuesday, April 7</b>	Post-Test: Solving Problems Involving The Four Operations With Rational Numbers	Post-Test: Analyzing How Form & Structure Affect Meaning	Quiz 3	The Beginnings of Human Society - Social and Cultural Conditions of Early Agricultural Societies
<b>Wednesday, April 8</b>	Considering Linear Expressions With Rational Coefficients	Reviewing Common Points of View	Review	<p>The Beginnings of Human Society</p> <p>Hunters and Farmers</p>
<b>Thursday, April 9</b>	Post-Test: Considering Linear Expressions With Rational Coefficients	Post-Test: Considering How Authors Develop Differing Points of View	Test	<p>The Beginnings of Human Society</p> <p>Quiz 3: Life Centered on Agriculture</p>
<b>Friday, April 10</b>	GOOD FRIDAY			

<b>Monday, April 13</b>	Rewriting Expressions in Different Forms	Comparing Audio-Visual Adaptations of a Written Work	Atoms, Molecules, & Compounds	The Beginnings of Human Society  Review
<b>Tuesday, April 14</b>	Post-Test: Rewriting Expressions in Different Forms	Post-Test: Comparing & Contrasting a Written Work with Its Audio-Visual Production	Elements	The Beginnings of Human Society  Test
<b>Wednesday, April 15</b>	Solving Problems Posed With Positive and Negative Rational Numbers	Considering How Authors of Fiction Draw on History	Essential Elements	Early Civilizations  The Meaning of Civilization
<b>Thursday, April 16</b>	Post-Test: Solving Problems Posed With Positive and Negative Rational Numbers	Post-Test: Comparing & Contrasting Fictional & Historical Portrayals	Quiz 1	Early Civilizations  River Valley Civilizations
<b>Friday, April 17</b>	Using Variables to Represent Quantities in a Real-World or Mathematical Problem	Defining Types of Textual Evidence	Ions	Early Civilizations  Egypt

<b>Monday, April 20</b>	Post-Test: Using Variables to Represent Quantities in a Real-World or Mathematical Problem	Post-Test: Using Implicit & Explicit Textual Evidence to Support Textual Analysis	Mixtures & Solutions	Early Civilizations  China
<b>Tuesday, April 21</b>	Solving Problems Involving Scale Drawings of Geometric Figures	Identifying Central Ideas in Text	States of Matter	Early Civilizations  Essay: Environment
<b>Wednesday, April 22</b>	Post-Test: Solving Problems Involving Scale Drawings of Geometric Figures	Post-Test: Determining & Analyzing Central Ideas & their Development in Nonfiction	Quiz 2	Early Civilizations  Quiz 1: The Rise of Early Civilizations
<b>Thursday, April 23</b>	Drawing Geometric Shapes With Given Conditions	Identifying Interactions in a Text	Phase Change	Early Civilizations  The Hittites
<b>Friday, April 24</b>	Post-Test: Drawing Geometric Shapes With Given Conditions	Post-Test: Analyzing Interaction Among Key Elements in a Text	Chemical Reactions	Early Civilizations  The Aryans
