

RCES Tardy Policy

RCES will begin implementing a Tardy Policy beginning this school year. This policy is supported by the Superintendent and the Bamberg One School Board

For students who chronically arrive late, attendance is updated as follows:

1. If a student accumulates a total of six (6) unlawful/unexcused tardies within a 9-week period, a conference will be set up and warning letter will be given to the parent/guardian. The student will not be eligible for perfect attendance.
2. If a student accumulates a total of twelve (12) unlawful/unexcused tardies in a 9-week period, the student's parent/guardian must attend a conference with the attendance clerk to develop and sign an intervention plan.
3. If a student continues to accumulate unlawful/unexcused tardies in that same 9-week period, the school will explore referrals to other agencies to assist in improving the attendance issue including the Department of Social Services.
