2021-2022 Vaccination update

Georgia law requires any student 16 and older or entering the 11th grade be vaccinated against Meningococcal disease, unless the child has an exemption. Please check with your physician or Houston County Health Department to see if your child needs these or any other boosters. State Immunization audits will occur and unless your child is up-to-date on ALL required immunizations, they will be removed from enrollment until these immunizations are updated. Contact Ms. Peeler for more info:

Principal's Corner

Nine weeks progress reports go out this month and that means we are halfway through the semester. Please take time to sit down and talk with your child about their academic progress. Do not wait until the last minute to try and get caught up on assignments. It takes all of us working together to Change Lives!
