The fee to purchase a parking hanger is \$25.00 for the school year.

- All school fees must be paid prior to purchasing a parking hanger.
- Freshman are not permitted to drive or park on campus.
- The online Registration Form must be completed and the Parent/Student Parking Contract must be filled out legibly and signed by the student and parent before purchasing a parking hanger.

Student Spots 1 – 12 will be assigned to the top 12 seniors, in no particular order. The Dog Pound (track lot) will be reserved for seniors. All cars parked in the Dog Pound lot during school hours must display a senior parking tag.

Students must park on the Trinity High School campus in spaces designated for student parking. Students cannot park in spaces (designated in yellow) for staff, visitors, handicap, police, or in the parking area at the baseball lot, behind the G Building or gym, or on any grass areas on campus. Students will be ticketed for parking anywhere other than a designated student parking space. Parking tickets are \$10.00.

EXPECTATIONS

Students are to come prepared for class with all necessary supplies for learning as required by the teacher. Homework is expected to be completed and ready to be turned in at the beginning of the class period. Attention in class is expected each day. Students are encouraged to take advantage of after school tutoring sessions and seek assistance from teachers or guidance counselors.

This supplementary guide is provided as a resource for students and parents, regarding the procedures and practices at Trinity High School. Randolph County Board of Education policies and the Randolph County School System 2019-2020 Parent/Student Handbook take precedence over this supplementary guide, in all matters.

COUNSELING SERVICES

The THS Counseling Department is here to serve the needs of students, parents and teachers. THS Counselors are Lina Sheets (A - K) and Jonathan Lanier (L - Z). Andy Hines is the Career Development Coordinator and Anna Cathell is the Student Advocate. Counselors are committed to fostering student development in three major areas: academic, career, and personal/social. Students may schedule an appointment with their counselor, or drop by the counselor's office when it is convenient for both the student and the counselor. Students may also sometimes interact with counselors through small group sessions as well as classroom and large group guidance. Some examples of reasons students may want to meet with a counselor include the following:

- Personal concerns
- Registration for courses and schedule changes
- College applications and information
- Scholarship and financial aid information
- Standardized test information such as the SAT and ACT
- Career counseling
- Referrals to school services and community agencies

Please click on the "School Counselors" link on the THS website to find information about our counseling services, as well as information on scholarships and SAT/ACT testing, etc.

NC HIGH SCHOOL EXIT STANDARDS

Exit standards are based upon the year students entered the ninth grade. The Guidance Department can provide the information regarding the requirements needed for students to graduate.

REGISTRATION

Students are registered for courses for the entire upcoming year during the spring semester. Students and parents should give careful consideration when making course selections. Schedule changes will only be made for the following reasons (and only when there is space available):

- When a student needs to balance his/her academic load
- When a student needs to sequence a course
- When a student receives a course that is not one of the selections or alternates for which he/she registered
- When a student passes a course that he/she assumed he/she would fail
- When a student fails a course required for graduation

Students are asked to rank elective choices when registering for classes. Due to class size and course offerings, students may not always receive their first elective choices.

Students taking online classes (i.e. NCVPS or RCC courses) must officially with-draw from the course before the 10th day of each semester, (September 9, 2019 and February 5, 2020) in order to avoid an "F" on the student's official transcript.

Students will be notified about the dates for spring enrollment. Dropping an RCC class must be done through the Registrar's Office at RCC as well as the THS Guidance Department. Failure to do so will result in an "F" on the student's official transcript.

GRADING SYSTEM AND REPORT CARDS

The evaluation of student achievement is one of the important functions of the teacher. The accepted marking system is as follows. The letter grades will be those on the report card.

A	90-100
B	80-89
C	70-79
D	60-69
F	59 and below
I	Incomplete

Honors courses and Randolph County Community College courses will receive one extra quality point. Advanced Placement courses will receive two extra points (based on a 4.0 scale) provided that the AP exam is taken. If the exam is not taken, one **extra quality point will be received**.

An incomplete is given only in the case of an illness, an emergency, or if prearrangements have been made with the principal, due to extenuating circumstances. An incomplete on the report card becomes an "F" one semester from the date it is given if all work is not completed by the student. Make-up work is the total responsibility of the student.

Students taking courses offered through Randolph Community College or NCVPS (North Carolina Virtual Public Schools) will receive grades from the agency providing the course. Once the grade is received, Trinity High School will record the grade on the student's official transcript.

CREDIT RECOVERY

APEX is an on-line credit recovery program available during the regular school day. Courses may or may not be offered after school or during the summer. Only certain courses are offered. A student must have finished an entire course, taken the state exam, and failed a course to be eligible for credit recovery. Students who have not met the state End of Course exam requirement for an exit standard course may not use credit recovery for that course.

Students in APEX are assessed and then an online instructional plan made up of modules or units is followed. Each module includes the presentation of concepts, note taking, and other activities. On-line tests for each module must be passed before moving on to the next module. Once all modules have been mastered, the student will receive a grade of Pass or Fail. Both the APEX grade and the original course grade will appear on the student's transcript.

Students must have their teacher's recommendation and permission from the principal to register for credit recovery. Students interested in recovery credit for courses previously failed should contact their school counselor.

PROMOTION

Students will be promoted to the next grade level if they have completed the following number of credits:

Promoted to 10 th grade:	6 credits
Promoted to 11 th grade:	13 credits
Promoted to 12 th grade:	20 credits

Students earning course credits through APEX or other credit recovery programs will be promoted at the beginning of the following school year (NOT between fall and spring semesters).

JUNIOR RESEARCH PAPER

Juniors are required to complete an argumentative research paper in their Junior English class. The paper will include an outline with a thesis statement, internal citations, a works cited page, a rough draft, and a final paper. Students are expected to work on the paper independently with the assistance of the teacher. The timeline to complete the paper is three consecutive weeks with the dates being set by the individual English teacher. Work on the paper will be completed both in and outside of school.

The **minimum** requirements are:

<u>Five sources (All classes)</u>	<u>Note Cards</u>	<u>Paper (number of pages)</u>
One primary	Standard 50 Card	Standard 3-5
Two print	Honors 75 Cards	Honors 5-7
Two internet	AP 100 Cards	AP 6-8

BETA CLUB AND NATIONAL TECHNICAL HONOR SOCIETY

Juniors and seniors who have earned a 3.85 grade point average are eligible for induction into the BETA Club. Induction occurs once a year in the fall.

Juniors and seniors who have earned a 3.5 grade point average in Career Technical Education courses and a 3.0 overall grade point average are eligible for induction into the National Technical Honor Society. Career Technical Education courses (CTE) are offered in the areas of Agriculture Education, Business Education, Family and Consumer Science, Health Occupations, Marketing, and Trade and Industry.

TESTING

PLEASE DO NOT PLAN ABSENCES DURING EXAM DAYS

End Of Course Tests (EOCs)

- All students enrolled in Algebra I, Biology, and English II, must take the NC READY end-of-course (EOC) exams. These exams are administered at the end of each course and count as 25% of the final grade.

CTE Exams

- All students enrolled in Career and Technical Education courses must take the CTE assessments as required by NC-DPI. These exams are administered at the end of each course and count as 25% of the final grade.

Other State Exams

- All sophomores are required to take the Pre-ACT.
- All Juniors are required to take the ACT.
- The PSAT will be offered to juniors. Additional information will be provided as to the date and location of the test.

Advanced Placement Exams

- Students enrolled in Advance Placement courses are administered the AP Exams in May as scheduled by the College Board. Any AP student who wishes to take the exam and is not able to take the AP exam on the scheduled day will have to register for the late exam and will have to pay the late exam fee. Any AP student electing NOT to take the AP exam will receive one extra quality point instead of two (like other honors courses). Students taking the AP exams are required to pay the exam fee. Information on the fees is provided during the semester that the AP course is being offered. Exams will not be ordered for students who have not paid the fee by the deadline date.
- Students enrolled in Advanced Placement courses may be required to take a teacher-made exam that would count as 25% of the final grade.

Teacher-made Exams

- Students enrolled in courses that do not have a required EOC, NCFE, or CTE exam may be required to take a teacher made exam that would count as 25% of the final grade

Accommodations

- Students who require accommodations for testing must contact the testing coordinator at THS to begin the testing accommodation process for the PSAT, SAT and AP. Due to deadline dates this process should begin as soon as possible. Trinity High School is not a testing site for the SAT and is not a designated site to test students with accommodations.

EXEMPTION POLICY FOR HIGH SCHOOL COURSES THAT REQUIRE A NORTH CAROLINA FINAL EXAM.

Exemption for final exams based on attendance cannot be applied to any high school course for which there is a required State end-of-course examination, North Carolina Final Exam (NCFE), CTE Post Assessment or college course examination.

Students will be eligible to be exempt from all final high school course exams *not required by the State Board of Education*, under the condition that they have *no more than two absences for the term* in the class where the exemption can be granted.

Students eligible for exemption from the final exam may choose to take the exam in order that the student's final grade will be changed due to the exam grade only if it causes the grade to be higher. These final exam results shall count as twenty-five percent (25%) of a student's final grade in each high school course for which these exams are required.

ATTENDANCE

CHECK IN/CHECKOUT AND ABSENTEE NOTES

- Students must check in/check-out and pick up an admit slip from the Student Services office, following an absence.
- Students may be checked out by submitting a check-out note to the Student Services office between 7:30 and 7:55 a.m. or by a parent/guardian checking out the student in-person.
- **Students may not be checked out by email or by phone.**
- Teachers may not admit students to class following an absence without an admit slip from Student Services. All absence notes must be brought to Student Services between 7:30-7:55 a.m. If a student brings an absence note to the window after 8:00, the student will be issued a tardy.
- All check-out notes are requested to have a phone number where a parent or guardian can be contacted.
- All students arriving on campus to check in or to check out MUST report to Student Services at the time they arrive/leave campus.
- Students are not allowed to leave school for lunch

ATTENDANCE POLICY

When a student returns from an absence, he/she will bring documentation to the attendance office/window located at the front of the administration building to get an admit slip to class. The absence will be excused/unexcused according to state attendance laws.

1. Students cannot miss more than 5 class periods during a semester.
2. Course credit can be denied after 5 absences in any course.
3. Any student who is passing a class and exceeds 5 days of absences will have the right to appeal the denial of credit for the course. A waiver request form must be completed and accompanied with proper documentation of the extenuating circumstances and submitted to the Attendance Waiver Committee who will then make case by case decisions regarding students with special circumstances. The Attendance Waiver Committee has the right to deny a waiver.

4. Any student who exceeds the 5 absence limit per class and is not granted a waiver will receive a failing grade of 59 (FF), unless the grade average is lower, in which case the actual grade earned will be given.
5. Students with excused absences can make up all work missed for full credit.
6. Students have 3 school days to make up assignments after an excused absence.
7. Students must turn in their note, to Student Services, for the absence within 2 days.
8. Ten consecutive unexcused absences may result in the student being withdrawn from school.
9. All students, including athletes, who miss school due to school related activities are responsible for making up work/homework by the next day.

ATTENDANCE POLICY WAIVER PROCEDURES

Students cannot miss more than 5 class periods during a semester.

According to Board Policy course credit can be denied after 5 absences in any class period.

Any student who is passing a class and exceeds 5 days of absences may appeal the denial of credit for the course. A waiver request form must be completed and accompanied with proper documentation of the extenuating circumstances and submitted to the Attendance Waiver Committee who will then make case by case decisions regarding students with special circumstances. The Attendance Waiver Committee has the right to deny a waiver, approve a waiver under extenuating circumstances, or require that additional subject area work (assigned by the teacher and approved by the Attendance Waiver Committee) be successfully completed by the student before a waiver will be granted. Any subject area work assigned would be reviewed for quantity and quality by the Attendance Waiver Committee. Members of the Attendance Waiver Committee will include the Attendance Committee Chair-Person, the Student Advocate, an administrator, the student's counselor, a subject area teacher, and an EC/ESL caseworker when applicable.

Excused absences do not grant students an automatic waiver. An extenuating circumstance above and beyond normal sickness and absence issues must exist and be properly documented for the Attendance Committee to consider a request.

***Class Attendance will be taken each period**

ABSENCES DUE TO COLLEGE VISITS:

During their JUNIOR year, students are allowed 1 day for a college visit *if* they

- Have taken the SAT or ACT, and
- Have completed or are enrolled in Math II.

The student must make up all work missed within 3 school days.

During their SENIOR year, students are allowed 1 day for a college visit. The student must make up all work missed within 3 school days.

All college visits must be approved a minimum of 48 hours before the trip.

College visit forms are available in the Student Services office.

Upon returning to THS, students must submit their THS College Visit Form along with proof from the college visited, to the Student Services office before school.

ABSENCES DUE TO Field Trips:

The student must make up all work missed within 3 school days.

TARDY POLICY

There are high expectations for class attendance, which includes punctuality and preparation. Students are expected to arrive and be seated and ready for class, prior to the tardy bell.

- Students must obtain a tardy note from the office to enter class after the bell.
- Tardies will be cumulative. For example, a tardy to first block and a tardy to second block will total two tardies.
- The accumulation of tardies will start over each semester.

The consequences for excessive tardies will be as follows:

Tardies 1-2= a warning

Tardy 3= 1 lunch detention

Tardy 4= 2 lunch detention

Tardy 5= 3 lunch detentions

Tardy 6= 4 lunch detentions

Tardy 7-8= 5 lunch detentions

Tardy 9= 1 day of ISS

Tardy 10= 3 days of ISS

Tardy 11= 5 days of ISS

Tardies 12 and following= 1 day of Intervention Center and the revocation of driving privileges for 1 week, or an equivalent consequence as deemed by an administrator

Failure to serve detentions will result in an escalation of consequences.

MEDICAL/FIRST AID SERVICES

Students in need of assistance because of illness or injury should, with their teacher's permission, report to the office. The school nurse can be reached by the office staff anytime. The nurse is here to help students with medical questions and/or concerns. Any student with a chronic health condition should notify the school nurse. As with any medical professional, visits with the nurse are kept confidential. The school nurse is a resource to the staff and students and can help find healthcare within the community.

Students who need to take medication of any type during school hours, including **over-the-counter drugs**, have the following choices:

1. A parent may come to the school and give the medication to the student
2. Students may obtain a copy of a medication form from the school nurse or school secretary. Take the form to the student's doctor and have him/her complete the form by listing the medications needed, dosage, and number of times per day the medication is to be administered. This form must be completed by the physician for both prescription and over-the-counter drugs. The form must be signed by the doctor and by the parent/guardian. Prescription medications must be

brought to school in a pharmacy-labeled bottle, which contains instructions on how and when the medication is to be given. **Over-the-counter drugs must be received in the original container and will be administered according to the doctor's written instruction.**

3. Student may discuss with their doctor an alternative schedule for administering medication outside of school hours

Consequences for students engaging in the prohibited behavior will be provided in accordance with the school's discipline code. Additional offenses will result in more severe consequences that could result in Out of School Suspension.

In 1988 all Randolph County Schools were inspected for Asbestos Containing Materials (ACM) according to the rules established by the Asbestos Hazard Emergency Response Act (AHERA). The inspection results and the Randolph County Schools plan concerning asbestos were compiled into a Management Plan for each school. Each school's Management Plan is available to the public for inspection upon request. Interested parties should contact the Principal or the LEA Designee to arrange for an inspection of the Management Plan. As required by AHERA, a periodic surveillance of all remaining asbestos material must be made every six (6) months. Any damaged or deteriorated asbestos will be repaired or

replaced before the beginning of the 2009-2010 school year. The periodic surveillance results are located in Volume 2 of the AHERA Notebook.

Any questions concerning this school's Management Plan can be directed to Allen Kerns the Randolph County Schools LEA Designee at 318-6096.
