<ul style="list-style-type: none"> <li>• Promote a rigorous curriculum in English Language Arts classes that utilizes close and cold readings</li> <li>• Promote a rigorous math curriculum that provides opportunities to practice complex skills</li> <li>• Promote a rigorous science curriculum that incorporates practice passages and graph reading skills</li> <li>• Employ a Success Coach to assist struggling students with various needs and remediation</li> </ul>	<ul style="list-style-type: none"> <li>• Provide more active and engaging learning opportunities for students in all classes</li> </ul>	<ul style="list-style-type: none"> <li>• Utilize school advocacy program to meet the emotional, physical, and academic needs of each student</li> </ul>
<p>Critical Initiatives</p>	<p>Critical Initiatives</p>	<p>Critical Initiatives</p>
<ul style="list-style-type: none"> <li>• Utilize ACT passages and prompts to improve reading, writing and English skills</li> <li>• Practice close reading of literary and informational text to</li> </ul>	<ul style="list-style-type: none"> <li>• Utilize technological resources that promote student centered learning</li> <li>• Employ teaching strategies that create a student centered</li> </ul>	<ul style="list-style-type: none"> <li>• Provide activities during Panther Advisory to help students develop real world skills</li> <li>• Provide activities during Panther Advisory to strengthen and</li> </ul>

### Critical Initiatives

improve reading and test taking skills

- Utilize ACT style questions weekly in the classroom to familiarize students with test format and level of complexity
- Provide ACT preparatory opportunities beyond the scope of the regular math classroom
- Incorporate graphs and charts in science instruction to improve student ability to interpret data
- Employ practice passages in all science classes to practice science skills and test taking strategies
- Utilize Success Coach to communicate with students who are not achieving and/or making adequate progress towards graduation

### Critical Initiatives

learning environment

- Foster a lifelong learning environment that builds capacity for 21st century skills/STEM development

### Critical Initiatives

develop character

- Provide activities that encourage student involvement on campus and in the community
- Provide activities and resources that allow students to explore multiple college and career options

### Key Measures

- ACT ELA Scores
- Classroom Grades
- ACT Math Scores
- ACT Science Scores
- Graduation Rate

### Key Measures

- eleot Observations
- Classroom Grades
- ACT Scores
- Student Surveys
- Staff Surveys
- STEM Observations
- Increased student engagement

### Key Measures

- Student Surveys
- Staff Surveys
- Classroom Observations
- Artifacts/Documentation of Experiences
- Disciplinary Data
- Student Involvement Data in Extra-Curriculars
- Community Surveys and/or Feedback
- Classroom/Activity Observations
- Student Participation Data
