Panther Shout Out to Mr. Leon Fred!

Over the summer, Mr. Fred has been assisting with plans for our virtual school year. He took the lead helping to get our LMS, Schoology, into place. Since then, he has been our go to person for assistance regarding curriculum and other programs. This year Mr. Fred took on the challenge of teaching two grade levels- 3rd and 5th.

Having a degree in theatre, Mr. Fred has a passion for performing. Every year he organizes our school holiday program. He loves being a teacher and has decided to pursue his Principalship in the near future.

Asquali/ Kwa'kwa for being a great support and role model to our students and staff!
