### **I shared our 2020 goals the beginning of the year,**

I mentioned that I would get into more detail in the coming months as we start another year together. As a reminder, here are the stated goals: "Our 2020 goals that you, as our partners can invest in, are to continue to update equipment, increase our listening audience, locally and online and getting WBHY AM 840 streaming online."

As a nonprofit, we run a very lean operation to do all that we do and our greatest need is to update our remaining equipment. Due to the power upgrade, we were forced to upgrade equipment to support the power increase last year. That was a big part of our growing pains. However, for us to remain stable and continue to build, we need to sure up our

foundation. This priority will enable to grow the ministry and reach more people with a positive Christ-centered music and message.

Because of your financial and prayerful invest in this radio ministry, **you are helping to encourage people in their walk with Christ and change lives. I wish you could see all the notes and other feedback we receive weekly.** Again, we praise God for our faithful investors and may you continue to build and sure up your foundation upon the Rock

In His Service & yours,
