Salary Adjustments for Graduate Credits

All members of the certified staff are encouraged to continue their formal study on the graduate level to broaden their competency and to maintain a high level of knowledge in their respective areas or subject fields.

As recognition of the individual teacher's commitment to broaden his or her knowledge and understanding in their teaching fields the Board shall grant salary differential in accordance with the salary schedule that is in effect in any given year. These salary adjustments are made only on February 1 and September 1 of each year with the approval of the Superintendent of Schools.
