

Wildcat Cafe 2020-21

We have a lot of changes this year due to the COVID pandemic. Please reach out to me via email or cell phone: tschwartzbeck@sjrcs.org 304-283-2862 and I will be happy to discuss any concerns you may have!

My School Bucks is the preferred payment method and will allow you to load money onto student/staff accounts online. They charge a fee for this service.

No cash or checks will be accepted from students in school.

Checks may be mailed directly to the school cafeteria to refill student accounts with no service fee.

Students will not handle cafeteria payment at school.

Monthly Menus will be published on our school website: www.sjrcs.org along with My School Bucks information. It will also be sent out electronically for you to reference.

We will have box lunches available each day for \$4.00. Please select your child's lunch selections from the 5 food groups offered each day.

We will have pizza on the menu weekly, delivered from local pizza restaurants (on a monthly rotation).

We will accommodate Gluten-free and Dairy-free selections in box lunches upon request. Gluten-free pizza is not available this year.

We will not serve peanut products/tree nut products. It will not be possible to offer foods exclusively made in peanut/nut free facilities.

Students will eat lunch in the classroom.

All food coming from the cafeteria will be packaged into individual, disposable containers or wrappers for optimum cleanliness and safety and delivered to the classroom by staff.

We will also provide disposable paper placemats to ALL students for use during lunch in order to aid with food safety and minimize mess on their desks.

A la Carte items are available when pre-ordered online. Please refer to the monthly menu for available selections

Pre Ordered lunches are required ONLINE by Sunday for the following week.

The Online order form will be available each Tuesday morning for the next week's lunches to give parents enough time to discuss the menu with their children and make lunch buying decisions.

The Order form through MySchool Bucks accepts up to 1 week of pre-orders for each student.

Lunches ordered after the Sunday deadline will be considered late and you will be charged for an OOPS lunch (\$5).

Student accounts will be charged each day for their pre ordered lunch unless the student stays home or leaves school early without receiving their lunch due to illness, appointments, etc.

Each box lunch will be labeled with the student's name and homeroom, and special dietary requests, when applicable.

All lunches will be packaged in disposable/carry-out containers and contain the necessary condiments, utensils, straws, and napkins for that particular lunch.

Classrooms will be provided with a lunch garbage can for cleaning up after lunch with the assistance of the aide/teacher.

OOPS lunches will be available: sandwich (ham, cheese, or jelly), chips, fruit, yogurt or string cheese, cookie, and water or milk. Aides/teachers and Front Desk staff will alert the cafeteria when an OOPS Lunch is needed.

Pre ordered lunch will be \$4

OOPS lunch will be \$5

We welcome your comments and suggestions via email or phone!

We hope everyone has a safe and wonderful year!

Tanya Schwartzbeck
Cafeteria Manager
