43 Motion carried by unanimous roll call vote.
44

45 Motion: (Sorbello/Minniti) to approve the following:

1
2 C. The approval for Kingsway United Soccer through the Gibbstown Soccer
3 Association, to use the Nehaunsey Middle soccer fields for practice and
4 games from May 22, 2007 to June 30, 2008.
5

6 Motion carried by unanimous roll call vote.
7

8 *Board President Frank J. Minniti commented that it would be the Gibbstown
9 Soccer Association's responsibility to make sure that the children of Gibbstown
10 are not to be "bumped" from the fields at any time and it will be the association's
11 responsibility to manage the fields. At no time does the Board want to be
12 approached with any problems with field usage or the privileges approved this
13 evening will be rescinded.*
14

15 **10. OLD BUSINESS**
16

17 Patrick Lani questioned the comment by Frank J. Minniti that the window
18 replacement project at Nehaunsey Middle School would be under budget when
19 his figures show the project will cost over \$200,000.00. Frank Minniti responded
20 that the architect has already garnered estimates on the project and preliminary
21 figures show that we will be in good shape.
22

23 Mr. Lani then commented on the recent article from the Gloucester County
24 Times recognizing the honoring of Dr. Sylvia Earle and the walking path behind
25 Nehaunsey Middle School. Mr. Lani provided circulation statistics for both the
26 Courier Post and the Gloucester County Times and feels we are not properly
27 informing the public of what is going on and that the Courier Post did not even
28 write an article on this subject. Scott A. Campbell responded that he does not
29 control what papers are contacted and that he was more concerned that the
30 Board of Education, Administration and District Staff were not recognized for their
31 efforts on that day.
32

33 Mr. Lani then commented on what he perceives as a lack of control on
34 purchasing and he presented a list which he compiled that he feels reflects
35 unnecessary spending. He commented that he feels we are spending a lot on
36 technology and how are we sure some of the purchases aren't "walking". Scott
37 Campbell responded that all purchases are processed through the Business
38 Office and then handled by the Technology Coordinator, Michael Grelli. Most
39 computer related materials are not placed into our fixed assets inventory since
40 they fall under the \$2,000.00 threshold and also depreciate at a more aggressive
41 pace. Also, Michael Grelli keeps very thorough records which are reviewed with
42 the Superintendent at least twice a year.

43 Mr. Lani then read a prepared statement regarding the visitation procedures. A
44 copy of the letter is attached.

1
2 Scott Campbell updated the Board of Education on the Partial Roof Replacement
3 project at Broad Street School scheduled to start after June 21, 2007. The job
4 should take ten (10) days to two weeks and will be monitored by both the architect
5 and the materials supplier, Garland Industries. Patrick Lani asked if we were going to
6 buy an extended warranty on the roof and Scott Campbell responded that we
7 have a 1-year warranty on labor and a 25-year warranty on materials. An extended
8 warranty purchase would be a decision the Board of Education would have to make.
9

10 Dr. Francine Marteski wanted to remind each Board Member that the policy
11 books need to be updated and they can stop by her office or bring them to the
12 next board meeting to have them refreshed.
13

14 Frank J. Minniti feels that after reviewing the materials from the presentations
15 made by prospective architects at the May 14, 2007 workshop meeting that the
16 district should remain with Garrison Architects due to their familiarity with our
17 buildings and the overall service they provide. James Sorbello commented that
18 he liked the presentation by Gibson & Tarquini but not enough to sway him away
19 from Garrison Architects. Patrick Lani feels that Gibson & Tarquini should be the
20 choice because they charged better rates than any of the other firms and
21 Garrison failed in their two attempts to pass referendums. Susan Vernacchio
22 feels we have a known commodity with Garrison's and they know our buildings
23 the best. She feels that Gibson & Tarquini did supply impressive literature but
24 they would be starting from scratch and she is not comfortable with that right
25 now. Michael Myers will abstain from comment and voting on this subject. He
26 also stated that he trusts the committee to make the proper decisions and should
27 handle this going forward. Frederick Reel liked the presentation made by Gibson
28 & Tarquini and was impressed that they took the approach of stressing the older
29 buildings and the use of debt service.
30

31 **11. ARCHITECT OF RECORD**

32
33 At this time, James Sorbello made a motion to appoint Garrison Architects as the
34 Architect of Record for the 2007-2008 school year. Frank Minniti seconded the
35 motion.
36

37 **Roll Call Vote:**

38
39 Frank J. Minniti - Yes
40 Patrick Lani - No
41 Michael Myers - Abstained
42 Frederick Reel - No
43 James Sorbello - Yes
44 Susan Vernacchio - Yes

1
2 **12. RESOLUTION**
3

4 Motion: (Sorbello/Minniti) to approve the following:
5

6 A. Contract Execution
7

8 **WHEREAS**, funds are available for this purpose; and
9

10 **WHEREAS**, the local Public Contracts Law (N.J.S.A. 18A:
11 18-5 et. seq) no longer requires that the resolution authorizing the
12 award of contracts for "Professional Services" be bid competitively:
13

14 **NOW, THEREFORE, BE IT RESOLVED**, by the Board of
15 Education of Greenwich, County of Gloucester and State of New Jersey,
16 as follows:
17

18 1. The President and Secretary are hereby authorized and directed to
19 execute contracts for the 2007-2008 school year with:
20

21 a. Garrison Architects
22

23 2. The above contracts are awarded without competitive bidding as a
24 "professional service" under provisions of the Local Public
25 Contracts Law because the above persons or firms named are
26 licensed to practice a recognized profession in the State of New
27 Jersey as above stated, and further such services to be performed
28 cannot be bid competitively because it is impossible to prepare
29 specifications for same in accordance with the above-captioned
30 statutes.
31

32 Roll Call Vote:
33

34 Frank J. Minniti - Yes
35 Patrick Lani, Jr. - No
36 Michael Myers - Abstained
37 Frederick Reel - No
38 James Sorbello - Yes
39 Susan Vernacchio - Yes
40

41 **13. NEW BUSINESS**
42

43 James Sorbello would like to look into placing an illuminated sign out near
44 Swedesboro Road which we could inform people of when our meeting dates

1 were and other pertinent information. Frank J. Minniti agreed and feels it is a
2 great idea. Scott Campbell will get information on costs and report back to the
3 Board of Education.
4

5 Michael Myers wants to explore audio taping of the meetings since there was a
6 discrepancy last month with the minutes. He feels that maybe we should just
7 tape the public portion. Scott Campbell responded that you should be careful
8 what you wish for with audio taping and that the tapes have to be archived
9 and the minutes will then become very thorough--word for word. Scott Campbell
10 also stated that is why the minutes are sent home well in advance for each
11 Board Member to review for accuracy.
12
