VII. Instructional Program

7.1 Curriculum

The Superintendent will coordinate the design and development of a comprehensive curriculum plan in accordance with state law and any requirements of the State Department of Education for approval by the Board.

7.2 Textbooks

Textbooks will be purchased and distributed in accordance with State Department of Education regulations. Only textbooks recommended by the local textbook committee will be approved by the Board, upon the recommendation of the Superintendent. The local textbook committee will be appointed by the Board. Members, including parents, will serve a term of one year. Students are loaned textbooks for the duration of the course that requires the textbook and are responsible for the care of the textbook. Students must reimburse the Board for the cost of any textbooks that are lost or damaged beyond reasonable wear and tear.

7.3 Academic Standards

Teachers will assign grades and confer academic credit for work and activities performed by students in accordance with objective and generally accepted instructional and grading standards, applicable laws and regulations, and criteria hereinafter specified.

7.3.1 General Grade Scale – Grades for academic course work will be awarded according to the following scale:

<table>
<thead>
<tr>
<th>Letter Grade</th>
<th>Numerical Grade (100 point scale)</th>
<th>Grade Point Average Points (4 point scale)</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90 – 100</td>
<td>4.00</td>
</tr>
<tr>
<td>B</td>
<td>80-89</td>
<td>3.00</td>
</tr>
<tr>
<td>C</td>
<td>70-79</td>
<td>2.00</td>
</tr>
<tr>
<td>D</td>
<td>60-69</td>
<td>1.00</td>
</tr>
<tr>
<td>F</td>
<td>Below 60</td>
<td>0.00</td>
</tr>
</tbody>
</table>

7.3.2 Advanced Placement Dual Enrollment and Advanced Grade Scale – When calculating the grade point average on a four point scale, one point (1.0) will be added for Advanced Placement courses, core dual enrollment courses, dual enrollment foreign language courses, and any course in which a student earns a business-recognized and ALSDE-approved credential/certificate. When calculating the grade point average on a four point scale, one-half point (0.5) will be added for advanced courses and foreign language courses.
7.3.3 **Special Education Grading Standards** – Students who are receiving special educational services may be graded according to an individualized educational plan, and nothing in Board policy or procedure prohibits the extension of appropriate academic modifications or accommodations to students who may be eligible for such modifications or accommodations under provisions of state and federal law.

7.3.4 **Report Cards** – Report cards reflecting student progress will be provided to the parents or legal guardians of students on a regularly scheduled basis.

7.3.5 **Promotion** – Students are promoted from grade to grade on the basis of academic credit earned during the school year, in summer school programs, or in such other academic programs as may be approved or recognized by the Board and in accordance with applicable law. Students who are eligible for promotion from grade to grade may nevertheless be retained by agreement of the parents and appropriate school officials.

7.3.6 **Class Rankings** – Beginning with the ninth grade of high school, all students will be ranked based on the four point grade point average scale (GPA) (calculated and weighted as described herein). The GPA calculation will be carried out four decimal places and rounded off. If there is a tie using the GPA, then and only then will the numerical average (carried to the appropriate number of decimal places) be used in order to break the tie.

7.3.7 **Credit Recovery** – The Superintendent is authorized to develop procedures for a program through which a student may recover credits in one or more failed courses, in compliance with regulations promulgated by the State Department of Education. The curriculum will align with the State Board of Education course of study and study content standards in which the student seeking credit recovery is deficient.

7.4 **Testing**

The Superintendent is authorized to develop and implement a standardized testing program that will include, at a minimum, all testing required under state and federal law. All standardized tests are to be conducted in accordance with the appropriate test administration manual guidelines and any rules or regulations that are intended to ensure their security and validity. Teachers are authorized to conduct tests for their courses in order to determine their students’ abilities, knowledge and skills, and to use in calculating a student’s grade.

7.5 **Summer School Operations**

A “summer school” program may be implemented in compliance with regulations promulgated by the State Department of Education. Summer school is provided as a service by the Board and is separate and distinct from the regular academic year. The
Superintendent is authorized to develop and maintain rules and regulations for the operation of summer school, including requirements for enrollment, attendance, transportation, and tuition, which will be subject to approval by the Board.

[Reference: Ala. Admin. Code 290-3-1-.02(6)]

7.6 **Dual Enrollment**

Upon recommendation of the Superintendent, the Board may establish guidelines in accordance with the regulations of the State Department of Education by which qualified high school students are allowed to take post-secondary college courses for high school credit.

[Reference: Ala. Admin. Code 290-3-1-.02(11)]

7.7 **Correspondence or Online Courses**

Credit for correspondence and online courses will be recognized if the conditions and criteria established by the Alabama Department of Education for such programs are met.

[Reference: Ala. Admin. Code 290-3-1-.02(12, 13)]

7.8 **Career and Technical Education Programs**

7.8.1 **Work-Based Learning Experience** – A work-based learning experience provides students with educational opportunities in a work setting that typically cannot be obtained in a classroom and may include, but is not limited to, cooperative education, internships, clinical experiences, and other related opportunities. The Superintendent is authorized to develop guidelines and procedures in accordance with the regulations of the Alabama State Department of Education for work-based learning experiences to be conducted in the school system, including, but not limited to, guidelines for decision making and protocol for solving problems at the workplace and school.

[Reference: Ala. Admin. Code 290-6-1-.04]

7.8.2 **Live Work** – Live work consists of work conducted by students that relates to the knowledge and skills taught as part of a CTE program of study, but is presented from outside the classroom. The Superintendent is authorized to develop for Board approval guidelines and procedures in accordance with the regulations of the Alabama State Department of Education and any applicable Business/Industry Certification requirements for live work to be conducted in the school system, including, but not limited to, a systematic method for managing live work, work requests and orders, and procedures for approval of where and for whom work may be conducted, school liability, and restrictions on live work. Any money collected for live work will be accounted for in accordance with the Board’s Finance Manual.
7.8.3 **Safety** – To the extent practicable, reasonable safety procedures will be implemented in the Career and Technical Education program in accordance with Alabama State Department of Education regulations and any applicable Business/Industry Certification requirements.

### 7.9 Foreign Exchange Programs

In regard to Foreign Exchange Students, it will be the policy of the Limestone County Board of Education to admit said students under and with the following conditions:

1. All exchange programs operating in the Limestone County Schools must have prior approval of the Superintendent of Education in order to place students.

2. In order to be considered for admittance, a prospective student must file for admission with the Superintendent of Education on or before August 1, of the school year desired for attendance.

3. Admittance of students will be decided in concert by the Superintendent of Education, the local school principal and the local school counselor.

4. Foreign Exchange students will be admitted only at the beginning of the first semester/term of the school year unless authorized by the Superintendent. The Superintendent has authorization to make such determinations.

5. Students must meet all of the following requirements in order to receive a graduation diploma from one of the Limestone County high schools:
   
   a. Four semesters/four full terms of attendance in the Limestone County School System are required for graduation.

   b. Students must provide documentation that they can satisfy all current Alabama State Department of Education and Limestone County Schools requirements for graduation.

   c. In case of a bona fide move, a screening committee (principal, counselor, and appropriate central office staff) will review the student’s situation to determine the fulfillment of graduation requirements.

### 7.10 Extended Programs: Community Education

Upon their approval by the Board, the Superintendent is authorized to implement programs and projects designed to meet the needs of the community served by the school system in accordance with any laws or regulations governing such programs.

7.11 Graduation, Certificate of Completion, and Commencement

Students who have satisfactorily completed the applicable criteria are eligible for graduation. Students who have fulfilled coursework requirements but who have not passed the required graduation examination are eligible to participate in graduation ceremonies and will be presented with a “certificate of completion.” Student participation in graduation ceremonies and related graduation activities will be subject to the principal’s approval and payment of outstanding financial obligations. Participation in a graduation-related ceremony may be prohibited by the principal if the student violates disciplinary standards or if, in the judgment of the principal, the student’s participation could lead or contribute to disorder or disruption of the ceremony or activity.

7.11.1 Honor Graduates – Honor students will be determined by meeting the requirements of the Limestone County Seal of Academic Honor as listed in the Student Handbook or by maintaining an average of 90.0 or above from the first term of 9th grade through the second semester of the 12th grade. All subjects are counted equally (excluding student aide) according to credit. Honor students will be recognized at graduation ceremonies.

7.11.2 Fifth Year Seniors – Upon the recommendation of the counselor and approval of the principal, a student who has completed four full academic years of high school but who has not completed the required course work for graduation will be allowed to attend the number of class periods necessary to complete the courses required for graduation.

7.11.3 Adult High School Diploma Program – The Superintendent is authorized to establish an adult diploma program in conformity with regulations issued by the State Department of Education and such additional requirements as may be approved by the Board.

[Reference: Ala. Admin. Code 290-3-1-.02(18)]

7.12 School Wellness

In furtherance of its commitment to fostering healthy nutritional and physical activities that support student achievement and that promote the development of lifelong wellness practices, the Board endorses the following programs, practices, and activities:

7.12.1 Nutrition Education and Promotion – Nutrition education that teaches the knowledge, skills, and values needed to develop healthy eating behaviors and nutrition promotion that promotes and reinforces student health will be integrated into the curriculum and offered throughout school campuses, including school dining areas and classrooms, by appropriately trained personnel.
7.12.2 **Nutrition Standards and Guidelines** – The Board will ensure that reimbursable school meals meet the program requirements and nutritional standards established by applicable state and federal regulations. The Board will encourage students to make nutritious food choices and will monitor all food and beverages sold or served to students, including those available outside federally regulated child nutrition programs. The Board will consider nutrient density and portion size before permitting food and beverages to be sold or served to students.

7.12.3 **Physical Education and Physical Activity Opportunities** – The Board will offer physical education opportunities that include the components of a sound physical education program. Physical education will equip students with the knowledge, skills, and values necessary to maintain healthful lifelong physical activity. Physical education instruction will be aligned with the curriculum. All students will be provided the opportunity to participate regularly in supervised physical activities that are intended to maintain physical fitness and to impart the benefits of maintaining a physically active and healthy lifestyle.

7.12.4 **Other School-Based Activities Designed to Promote Student Wellness** – The Board may implement other programs that help create a school environment that conveys consistent wellness messages and that is conducive to healthy eating and physical activity.

7.12.5 **Administrative Implementation** – The Superintendent is authorized to develop and implement administrative rules and directives that are consistent with this policy and to oversee the implementation and periodic review and update of the wellness policy based on input from teachers (including specialists in health and physical education), school nurses, parents and guardians, students, representatives of the school food service program, school board members, school administrators, and the public.

The Superintendent will report to the Board, as requested, on programs and efforts that are designed to meet the purpose and intent of this policy and will inform and update the public regarding the content and implementation of the wellness program. The Superintendent will ensure each local schools compliance with the wellness policy and will measure periodically and make available to the public an assessment of the implementation of the wellness policy, including the extent to which schools are in compliance with the policy, the extent to which the policy compares to model policy and to describe the progress made in attaining the goals of the policy.

7.13 **Selection of Instructional Materials and Materials for the School Libraries**

The Superintendent is authorized to develop criteria for approval by the Board for selection of materials (other than textbooks) that are used in conjunction with student instruction and for circulation in school libraries. The Superintendent is further authorized to develop a procedure for review of objections to instructional and library materials.
7.14 Parent and Family Engagement

7.14.1 Parental Involvement, Partnerships Encouraged – Training and appropriate resources will be provided for teachers, administrators, and parents to strengthen the ability of strong parent-school partnerships to enhance student achievement. Parents will be involved in jointly developing appropriate parental involvement policies and in reviewing school improvement through meetings with the school system’s Parent Advisory Committee. Policies developed through this process will be distributed to parents of students attending Title I schools. Additionally, the Board will provide coordination, technical assistance, and other support necessary to assist Title I schools in planning and implementing effective parental involvement activities to improve student achievement and school improvement. The Board will coordinate and integrate parental involvement strategies with other programs as appropriate.

7.14.2 Annual Evaluation of Initiatives – An annual evaluation will be conducted, with the involvement of parents, to determine the effectiveness of the parent and family engagement policy in improving the academic quality of the schools. The evaluation will include parent surveys, focus groups, and student assessment data. Parents will also be given the opportunity to submit suggestions and concerns regarding the parental involvement policy to the parent advisory committee. This information will be reviewed annually and used to make revisions to the school system plan as necessary. The annual evaluation will also include identifying:

a. Barriers to greater participation by parents in parental involvement activities, with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or whose racial or ethnic background may impede effective participation. To the extent practicable, all information required under Section 1111 of the Elementary and Secondary Education Act (“ESEA”), 20 U.S.C. §6301 et seq., will be provided to parents in a uniform, understandable format and upon request, in an alternative format and language that the parents understand;

b. The needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers; and

c. Strategies to support successful school and family interactions.

7.14.3 Elementary and Secondary Education Act Compliance – The school system will work with its schools to ensure that school-level parental involvement policies meet the requirements of section 1118(b) of the ESEA and each includes a school-parent compact consistent with section 1118(d) of the ESEA. This policy will specify that each school will:

a. Convene an annual meeting to explain the school programs to parents
and inform them of their responsibilities and right to be involved in the program;

b. Offer a flexible number of informational parent meetings, including building a strong home/school connection, parenting skills, and literacy development;

c. Involve parents in an organized, ongoing, and timely way in planning, review, and improvement of school programs;

d. Provide timely information about its school programs to parents, describe the curricula, student assessments, opportunities for regular meetings where parents can provide input, and respond promptly to parent suggestions; and

e. Provide parents with an opportunity for meaningful and ongoing consultation and communication about the academic quality of the school.

7.14.4 Notice of Rights and Information – The Board will comply with the Parents Right to Know provision of the ESSA section 1116 and 1112 (e)(1)(A)(i)-(ii), including the rights of parents to be informed of the credentials/qualifications of their child’s teacher(s) and their school choice and/or supplemental educational services options when schools are identified for school improvement or determined to be unsafe within the meaning of the Act.

7.15 Virtual School Option

LCBOE will provide a virtual school option allowing an online pathway for eligible students in grades kindergarten (K) through twelve (12) otherwise meeting the age, grade, and geographic enrollment criteria of LCBOE to earn a high school diploma. The Superintendent shall develop procedures for providing a virtual school program consistent with this policy to include but not limited to procedures regarding scope/delivery options; eligibility criteria; program monitoring; accountability; extracurricular activities; and attendance. LCBOE prohibits discrimination on the basis of age, race, color, religion, disability, sex, national origin, or ancestry in the implementation of its virtual school option.

Students with Disabilities
All students, regardless of disability, will be provided equal access to the educational benefits and opportunities (to include those afforded by technology) of the LCBOE virtual school program. A Section 504 or IEP team will meet after a student with a disability applies to and meets the criteria for admission into the LCBOE virtual school program for the purpose of determining if the program is an appropriate placement and the least restrictive environment for the student. LCBOE will provide the educational components of the virtual school program, as well as provide special education and related services, to out-of-district students with disabilities accepted into the program.
Utilization of Non-LCBOE Providers
LCBOE may contract with outside parties, agencies, and/or other school districts in the implementation of its virtual school program.
