Rising 2nd Grader's Summer Reading and Writing Assignment

Each student is required to read A book from either ***The Magic Tree House*** series or the ***Junie B. Jones*** series and complete the Tic Tac Toe Reading Response chart choosing 3 squares to make tic tac toe. This will be completed on other paper and attached to the Tic Tac Toe page. The assignments are all due the first week we return to school in August.

Students will also be reading ***When Sohpie Thinks She Can't*** by Molly Band and completing the attached activity sheets. Pages 1 and 2 of the activity sheets are for discussion. Then, students will complete the other pages. These activities are about growth mindset and are not traditional written answers. They involve drawing and illustrating for some of the pages. Sketching in pencil is acceptable. The last page in the Growth Mindset packet is to color and cut out bookmarks. If your child brings them in on the first week of school, I will laminate them in my personal laminator and they will last longer.

Please have fun working on this assignment with your child. I look forward to seeing all of the completed assignments in August. Your child will share his/her Tic Tac Toe assignment with the class during the first week of school.

Blessings,
Kim Sidelinger
