

What is National Junior Honor Society?

Established in 1929, the National Junior Honor Society (NJHS) is one of the nation's premier organizations established to recognize outstanding middle level students. More than just an honor roll, NJHS serves to honor those students who have demonstrated excellence in the areas of **Scholarship, Leadership, Service, Character, and Citizenship**

The **St. Stephen NJHS chapter** is comprised of a select group of outstanding 7th and 8th grade students who exemplify excellence in the above categories. NJHS students assist with a variety of school functions throughout the year such as Trunk or Treat, Family Night and the Scholastic Book Fair. Each student member also engages in a service project of their choice within the community. As a group, NJHS students visit the San Jose Mission each year where they share fellowship, games and activities with the residents. NJHS students assemble lunch bags for the youth of the mission and bring various donation items. In addition, this year the 7th grade members have the opportunity to attend the NHS/NJHS State Summit at the Contemporary Resort in Orlando. The State Summit will provide our student leaders with invaluable opportunities to learn about state and global issues from leaders in our state, in a hands-on, "think-tank" environment.

Applications for 2018-2019 NJHS will be available to eligible 6th and 7th grade students in March. If you have items to donate to the San Jose Mission, please email the NJHS adviser, Katie Lambert at klambert@sscsfl.org.
