

*Welcome
to the
19th Annual
Angels Among Us
Auction and Gala*

St. Stephen Family Life Center
Riverview, Florida

November 10, 2018

A Letter from our Pastor

"Father, we're All in!" that is the answer I've been hearing from our students this year when I ask them, what are we at St. Stephen?

It is a beautiful phrase with so much depth to it and it is my question for you as adult disciples of our Lord.

Are you all in?

We gather this evening as a parish community to celebrate the amazing gift of knowledge that we as humans have been given from our creator. The best and most effective way of making disciples for the Lord is by helping our young people to be "All In"

- For their academic formation
- For their spiritual development
- For the human kindness
- For their psychological wellbeing

By sharing your blessing with us during this evening of Parish celebration, you are helping St. Stephen Parish in its vital and essential mission to educate the young in a manner that will always reflect their true and beautiful dignity as children of the Lord.

Let us celebrate, let us dance, let us eat, and let us share the joy of being "All in" for the Lord.

Peace and joy,
Fr. Dermot

Principally Speaking...

"And whatever you do, in word or deed, do it
ALL IN the name of the Lord Jesus." Col. 3:17

Our school theme for this school year is "All In", and we have asked ourselves, our students, our families, and our community to join us as we commit to giving our ALL In everything we do in the name of our Lord. Your presence here tonight tells us you are All In for our students and for Catholic education.

The vision of our school is to provide excellence in Catholic education, focusing on faith, academics, and service in a caring and safe environment. Catholic schools depend on support from people like you and because of your support we are able to achieve great strides in fulfilling our vision. Thank you for your generosity and thank you to the many volunteers who made this evening possible. God doesn't want us to hold back and when we go All In, he blesses us with his graces. I pray that everyone here tonight may receive his choicest blessings.

Yours in Christ,
Linda Umoh

- 3) The announcer will then ask those standing to place their hands on their heads or their tails - whichever they choose.

- 5) Those remaining standing will start the game over until only one person is left. The prize will be awarded to the last person standing.

Angels Among Us Silent Auction

Our Silent Auction begins when doors open at 5:30p.m. The Silent Auction room closes at 8:00 p.m. and no further bids will be allowed.

The Closing of the Silent Auction is announced by our Master of Ceremonies, including a last call to make your final bids before it closes.

The winning bid number and name will be posted on each item.

You can check to see if you are the winner when the Silent Auction room re-opens later in the evening.

Each item has a unique auction number. Bidders use their assigned bid number to complete bid sheets located in front of each auction item. Bid numbers are assigned at check-in on the night of the event.

Bid increases are in the set increments only. A minimum bid amount is listed for each item. If a minimum bid and/or increase offered are not sufficient, the auction bid/increase is invalid and not registered.

Bids entered after the announced closing of the Silent Auction are invalid and not registered. The highest valid bid constitutes the winning bid. Acceptance of the highest bid becomes a binding obligation upon the bidder to make payment in full for that item. Your credit card on file will be charged within a week of the event.

Silent Auction items are to be picked up at the conclusion of the evening from the Silent Auction basket room.

Angels Among Us Live Auction

Bidding for items in the Live Auction begins after dinner.

Bids are placed on an item by raising your bid paddle. Spotters assist the auctioneer in identifying bids. The auctioneer will announce the winning bid for each item. Place your bids carefully. Acceptance of the high bid becomes a binding obligation upon the bidder to make the payment in full for that item by the end of the evening. The auctioneer has sole discretion to determine the bidding increment for each item and shall have sole and final authority to determine the successful bidder or to re-offer or re-sell any item.

In the event of any dispute, the auctioneer will determine the successful bidder. The auctioneer reserves the right to reject any bid that he believes is not commensurate with the value of the item being offered. Syndicate bids (group of buyers) must be submitted under a single bid number.

Tax Information

According to the IRS, when a donor indicates a gift has been made to an organization and thus is a charitable contribution, an essential element of proof that a portion of the payment claimed as a gift represents the total amount paid over the value of the consideration received thereof. This may be established by evidence that the payment exceeds the fair market value of the privileges or other benefits received by the amount claimed to have been paid as a gift. If you have any questions, please consult a tax professional.
